*Abraham Joshua Heschel* Shai Held, 2020-03-20 Through Heschel Held s work reaches out more broadly to treat us to a profound discussion of the great issues in contemporary Jewish theology Arthur

Green Hebrew College Rabbinical School Abraham Joshua Heschel 1907 1972 was a prolific scholar impassioned theologian and prominent activist who participated in the black civil rights movement and the campaign against the Vietnam War He has been hailed as a hero honored as a visionary and endlessly quoted as a devotional writer In this sympathetic yet critical examination Shai Held elicits the overarching themes and unity of Heschel s incisive and insightful thought Focusing on the idea of transcendence or the movement from self centeredness to God centeredness Held puts Heschel into dialogue with contemporary Jewish thinkers Christian theologians devotional writers and philosophers of religion Shai Held s book is a master class in one of the most significant Jewish voices of our time Tablet In this lucid and elegant study one of the keenest minds in Jewish theology in our time probes the vision of one of the most profound spiritual writers of the twentieth century uncovering a unity that others have missed and shedding light not only on Heschel but also on the characteristically modern habits of mind that impede the knowledge of God The book is especially valuable for the connections it draws with other philosophers theologians and spiritual writers Jewish and Christian Enthusiastically recommended Jon D Levenson Harvard University A thoughtful illuminating new study of Heschel s thought It is one of the many virtues of Shai Held s book that it helps us to place Heschel alongside not only Kaplan but Halevi Horovitz and Rav Nahman as well as the Psalmist Jewish Review of Books

Currents in Twenty-First-Century Christian Apologetics John J. Johnson, 2008-09-01 In this book Johnson avoids the standard approach of many apologetic works that seek to prove in systematic fashion that Christianity is true Rather he takes the position of orthodox Christianity and looks at various challenges that have been raised against it For example should the horrors of the Holocaust force Christian thinkers to alter their view of God s goodness Is Christianity inherently anti Jewish for claiming that Jews must embrace Jesus as Messiah Are revived hallucination theories about Christ s resurrection tenable explanations of the birth of the Christian movement Is the presuppositional approach of certain Reformed thinkers useful for doing Christian apologetics These and similar questions are addressed in this book

*The Blackwell Companion to Religion in America* Philip Goff, 2010-03-25 This authoritative and cutting edge companion brings together a team of leading scholars to document the rich diversity and unique viewpoints that have formed the religious history of the United States A groundbreaking new volume which represents the first sustained effort to fully explain the development of American religious history and its creation within evolving political and social frameworks Spans a wide range of traditions and movements from the Baptists and Methodists to Buddhists and Mormons Explores topics ranging from religion and the media immigration and piety though to politics and social reform Considers how American religion has influenced and been interpreted in literature and popular culture Provides insights into the historiography of religion but presents the subject as a story in motion rather than a snapshot of where the field is at a given moment

Reflections on Jean Améry Vivaldi Jean-Marie, 2018-11-27 This book elaborates Jean Améry s critique of philosophy and his discussion of some central philosophical themes in *At the Mind s Limits* and his other writings It shows how Améry elaborates the

shortcomings and unfitness of philosophical theories to account for torture the experience of homelessness and other indignities and their inability to assist with overcoming resentment It thus teases out the philosophical import of Jean Améry's critique of philosophy which constitutes his own philosophical testament of being an inmate at Auschwitz This book situates Améry's critique at the Mind's Limits in the context of twentieth century Continental philosophy On the one hand it elaborates Améry's engagement with key philosophical figures On the other hand it shows how thoroughly Améry denounces the limits of the philosophical enterprise and its impotence in capturing and accounting for the crimes of the Third Reich *The*

*Encyclopedia of Christianity, Vol. 5* Erwin Fahlbusch, Geoffrey William Bromiley, 1999 Written by leading scholars from around the world the articles in this volume range from sin Sufism and terrorism to theology in the 19th and 20th centuries Vatican I and II and the virgin birth

*Who Are the Jews—And Who Can We Become?* Donniel Hartman, 2023-11-2023 National Jewish Book Award Finalist in Modern Jewish Thought and Experience *Who Are the Jews And Who Can We Become* tackles perhaps the most urgent question facing the Jewish people today Given unprecedented denominational tribalism how can we Jews speak of ourselves in collective terms Crucially the way each of us tells our shared story is putting our collective identity at risk Donniel Hartman argues We need a new story built on Judaism's foundations and poised to inspire a majority of Jews to listen discuss and retell it This book is that story Since our beginnings Hartman explains the Jewish identity meta narrative has been a living synthesis of two competing religious covenants Genesis Judaism which defines Jewishness in terms of who one is and the group to which one belongs independent of what one does or believes and Exodus Judaism which grounds identity in terms of one's relationship with an aspirational system of values ideals beliefs commandments and behaviors When one narrative becomes too dominant Jewish collective identity becomes distorted Conversely when Genesis and Exodus interplay the sparks of a rich compelling identity are found Hartman deftly applies this Genesis Exodus meta narrative as a roadmap to addressing contemporary challenges including Diaspora Jewry's eroding relationship with Israel the othering of Israeli Palestinians interfaith marriage the Israeli Palestinian conflict and collectively who we Jews can become

*Nature and Time* Dong In Baek, 2024-12-30 Unveil the intricate tapestry of faith and reason in *Nature and Time* Integrative Dialogues in History and Theology This insightful work bridges the gap between traditional Christian thought and contemporary scientific understanding Delving deep into the evolving role of natural theology it explores how human reason and empirical observation intertwine with divine revelation From the hierarchical dance between natural and revealed theology to the pressing political and ecological challenges of our time this book offers a fresh lens through which to view the divine in the modern world Journey through philosophical perspectives on time understand divine action in new dimensions and grapple with the global struggle against oppression all while discovering the enduring relevance of natural theology By weaving together insights from ecology cosmology and neuroscience it fosters a dynamic dialogue that enriches both science and spirituality Whether a theologian seeking depth a scientist exploring beyond the empirical or a curious mind yearning for

meaning this book invites the reader to a transformative exploration Engage with a framework that not only addresses the complexities of the world but also fosters a deeper understanding of the divine in every aspect of life **Dark Airs** Brendan Cooper, 2009 In discussions of American poetry since World War II the work of John Berryman has become increasingly neglected and marginalized Critics have overwhelmingly chosen to favour the notion that he is an academic establishment poet whose career can comfortably be described as a move from New Critical traditionalism towards self absorbed confessionalism This study shows how such a narrow understanding of Berryman s work is reflective of a broader critical inclination towards a codification of the literary canon as a duel between competing factions of a formalist establishment mainstream and an experimentalist countercultural avant garde By examining the extent to which Berryman s poetry engages with the complex religiopolitical climate of Cold War American culture this study exposes the inadequacy of the paradigm of mainstream traditionalism in relation to his work In doing so it opens up threads of comparative possibility between his work and that of poets ordinarily segregated from him by divisive conceptions of the literary canon As such this volume provides a reconsideration of Berryman s work that simultaneously asks broader questions about the nature of the American poetic canon and established definitions of postmodern poetry [The Oxford Handbook of the Reception History of the Bible](#) Michael Lieb, Emma Mason, Jonathan Roberts, 2013-01-10 In recent decades reception history has become an increasingly important and controversial topic of discussion in biblical studies Rather than attempting to recover the original meaning of biblical texts reception history focuses on exploring the history of interpretation In doing so it locates the dominant historical critical scholarly paradigm within the history of interpretation rather than over and above it At the same time the breadth of material and hermeneutical issues that reception history engages with questions any narrow understanding of the history of the Bible and its effects on faith communities The challenge that reception history faces is to explore tradition without either reducing its meaning to what faith communities think is important or merely offering anthologies of interesting historical interpretations This major new handbook addresses these matters by presenting reception history as an enterprise not a method that questions and understands tradition afresh The Oxford Handbook of the Reception History of the Bible consciously allows for the interplay of the traditional and the new through a two part structure Part I comprises a set of essays surveying the outline form and content of twelve key biblical books that have been influential in the history of interpretation Part II offers a series of in depth case studies of the interpretation of particular key biblical passages or books with due regard for the specificity of their social cultural or aesthetic context These case studies span two millennia of interpretation by readers with widely differing perspectives Some are at the level of a group response from Gnostic readings of Genesis to Post Holocaust Jewish interpretations of Job others examine individual approaches to texts such as Augustine and Pelagius on Romans or Gandhi on the Sermon on the Mount Several chapters examine historical moments such as the 1860 debate over Genesis and evolution while others look to wider themes such as non violence or

millenarianism Further chapters study in detail the works of popular figures who have used the Bible to provide inspiration for their creativity from Dante and Handel to Bob Dylan and Dan Brown

**The Routledge Companion to Jewish Philosophy** Daniel Rynhold, Tyron Goldschmidt, 2025-05-02 The Routledge Companion to Jewish Philosophy is a deep and broad reference that brings diverse perspectives to bear on the key topics problems and debates in Jewish philosophy and philosophical theology The 37 chapters were written by an international team of experts from different traditions in philosophy and beyond and appear in print for the first time in this Companion The chapters are divided into ten major sections God Humanity From God to Us From Us to God Jewish Mysticism Faith and Reason Judaism and Normativity Judaism and Politics Judaism and Other Faiths Times and Trends A list of Related Topics at the end of each chapter and a comprehensive index at the back of the volume help readers navigate the Companion and Further Reading sections at the end of each chapter identify the best avenues for future research The volume is essential reading for students and scholars interested in Jewish philosophy theology religious studies and related subjects
