Beyond Combat Women And Gender In The Vietnam War Era

Alexander Sedlmaier

Beyond Combat Women And Gender In The Vietnam War Era:

Beyond Combat Heather Marie Stur, 2011-09-26 *Beyond Combat* investigates how the Vietnam War both reinforced and challenged the gender roles that were key components of American Cold War ideology Refocusing attention onto women and gender paints a more complex and accurate picture of the war's far reaching impact beyond the battlefields Encounters between Americans and Vietnamese were shaped by a cluster of intertwined images used to make sense of and justify American intervention and use of force in Vietnam These images included the girl next door a wholesome reminder of why the United States was committed to defeating Communism and the treacherous and mysterious dragon lady who served as a metaphor for Vietnamese women and South Vietnam Heather Stur also examines the ways in which ideas about masculinity shaped the American GI experience in Vietnam and ultimately how some American men and women returned from Vietnam to challenge homefront gender norms

Army Nurse Corps Voices from the Vietnam War Janet D. Tanner, 2021-04-30 This book provides an oral history of women who served in the U S Army Nurse Corps during the Vietnam War It follows the trajectory of eight women's lives from their decision to become nurses to surgical and evacuation hospitals in Vietnam and then home to face the consequences of war on their personal and professional lives It documents their lived experience in Vietnam and explores the memories and personal stories of nurses who treated injured American soldiers Vietnamese civilians and the enemy Their voices reveal the physical and emotional challenges trauma contradictions and lingering effects of war on their lives Women in the U S Army in Vietnam feared the enemy but also sexual violence and harassment the experiences this book documents also shed light on the extent of historical sexual abuse in the military

A Companion to Women's Military History Barton Hacker, Margaret Vining, 2012-08-17 This volume addresses the changing relationships between women and armed forces from antiquity to the present eight chapters review the existing literature an extended picture essay visually documents women's military work and eight chapters illustrate more restricted topics

Beyond the Band of Brothers Megan MacKenzie, 2015-06-18 This book examines the role of women in the US military and the key arguments used to justify the combat exclusion policy

Beyond the Quagmire Geoffrey W. Jensen, Matthew M. Stith, 2019-03-15 In *Beyond the Quagmire* thirteen scholars from across disciplines provide a series of provocative important and timely essays on the politics combatants and memory of the Vietnam War Americans believed that they were supposed to win in Vietnam As veteran and Pulitzer Prize winning author Philip Caputo observed in *A Rumor of War* we carried along with our packs and rifles the implicit convictions that the Viet Cong would be quickly beaten and that we were doing something altogether noble and good By 1968 though Vietnam looked less like World War II's triumphant march and more like the brutal and costly stalemate in Korea During that year the United States paid dearly as nearly 17 000 perished fighting in a foreign land against an enemy that continued to frustrate them Indeed as Caputo noted We kept the packs and rifles the convictions we lost It was a time of deep introspection as questions over the legality of American involvement political

dishonesty civil rights counter cultural ideas and American overreach during the Cold War congealed in one place Vietnam Just as Americans fifty years ago struggled to understand the nation's connection to Vietnam scholars today across disciplines are working to come to terms with the long and bloody war its politics combatants and how we remember it The essays in *Beyond the Quagmire* pose new questions offer new answers and establish important lines of debate regarding social political military and memory studies The book is organized in three parts Part 1 contains four chapters by scholars who explore the politics of war in the Vietnam era In Part 2 five contributors offer chapters on Vietnam combatants with analyses of race gender environment and Chinese intervention Part 3 provides four innovative and timely essays on Vietnam in history and memory In sum *Beyond the Quagmire* pushes the interpretive boundaries of America's involvement in Vietnam on the battlefield and off and it will play a significant role in reshaping and reinvigorating Vietnam War historiography

Integrating the US Military Douglas Walter Bristol, Heather Marie Stur, 2017-05 *Integrating the US Military* is an edited collection that examines the US Army's role and place in progressive social change through the lens of the military experience of African Americans women and gays since World War II By making this long overdue comparison the editors argue this anthology demonstrates how the challenges launched against the racial gender and sexual status quo in the years after World War II transformed overarching ideas about power citizenship and America's role in the world This anthology's major contribution is synthesizing recent scholarly work on the history of minorities and women in the US military It does so by examining connections between GIs and civilian society in the context of ideologies of race gender and sexuality Given the militarization of American society since World War II revealing the links between these legally marginalized groups within the Armed Services is historically significant in its own right At the same time this comparison also sheds new light on a broad range of issues that affected civilian society such as affirmative action integration marriage laws and sexual harassment *Integrating the US Military* is a book designed for college students military professionals policy makers and general readers Allowing readers to view the history of several civil rights movements within the Armed Forces will prompt them to rethink the way they understand the history of social movements It will also help them to better understand the relationship between the military and American society Finally readers will gain a historical perspective on recent debates about the rights of gays in the military and the implications of deploying women in combat Provided by publisher

Looking Back on the Vietnam War Brenda M. Boyle, Jeehyun Lim, 2016-06-17 More than forty years have passed since the official end of the Vietnam War yet the war's legacies endure Its history and iconography still provide fodder for film and fiction communities of war refugees have spawned a wide Vietnamese diaspora and the United States military remains embroiled in unwinnable wars with eerie echoes of Vietnam *Looking Back on the Vietnam War* brings together scholars from a broad variety of disciplines who offer fresh insights on the war's psychological economic artistic political and environmental impacts Each essay examines a different facet of the war from its representation in Marvel comic books to the experiences of

Vietnamese soldiers exposed to Agent Orange By putting these pieces together the contributors assemble an expansive yet nuanced composite portrait of the war and its global legacies Though they come from diverse scholarly backgrounds ranging from anthropology to film studies the contributors are united in their commitment to original research Whether exploring rare archives or engaging in extensive interviews they voice perspectives that have been excluded from standard historical accounts Looking Back on the Vietnam War thus embarks on an interdisciplinary and international investigation to discover what we remember about the war how we remember it and why

Love and Death in the Great War Andrew J. Huebner, 2018 Americans today harbor no strong or consistent collective memory of the First World War Ask why they fought or what they accomplished and democracy is the most likely if vague response The circulation of confusing or lofty rationales for intervention started from the moment President Woodrow Wilson secured a war declaration in April 1917 Yet amid those shifting justifications Love and Death in the Great War argues was a more durable and resonant one Americans would fight for home and family Intervention came at a moment when arbiters of tradition regarded those very institutions the white family in particular under pressure from all sides industrial work women's employment immigration urban vice woman suffrage and most incendiary the imagined threat of black sexual aggression Alleged German crimes in France and Belgium seemed to further imperil women and children Americans would fight many said to protect the family literally but also indirectly War promised to restore convention stabilize gender roles and sharpen male character Love and Death in the Great War tracks such ideas of redemptive war across public and private spaces policy and implementation home and front popular culture and personal correspondence Huebner merges untold stories of men and women from Missouri Wisconsin Alabama Louisiana and other places with a history of wartime culture Studying the radiating impact of war alongside the management of opinion he recovers the conflict's emotional dimensions its everyday rhythms heartbreaking losses soaring possibilities and broken promises Telling the war story as a love story however generated contradictions and challenges some subtle some transformative some violent African Americans and women serving in the army disrupted narratives of white chivalric rescue Military life proved inhospitable to virtue Death and injury brought destruction not regeneration An army of mostly drafted men sought recompense for lives interrupted as much as patriotic or personal credibility After the Great War the mobilization of real and symbolic families would never quite look the same again

The ^ARepublic of Rock Michael J. Kramer, 2013-04-05 The Republic of Rock uncovers the lost story of rock music and citizenship in the sixties counterculture by tracing the way people in two key places San Francisco and Vietnam used rock to make sense of their lives and the world around them

Women's Antiwar Diplomacy during the Vietnam War Era Jessica M. Frazier, 2017-02-02 In 1965 fed up with President Lyndon Johnson's refusal to make serious diplomatic efforts to end the Vietnam War a group of female American peace activists decided to take matters into their own hands by meeting with Vietnamese women to discuss how to end U S intervention While other attempts at women's international cooperation and transnational feminism have led to cultural

imperialism or imposition of American ways on others Jessica M Frazier reveals an instance when American women crossed geopolitical boundaries to criticize American Cold War culture not promote it The American women Frazier studies not only solicited Vietnamese women s opinions and advice on how to end the war but also viewed them as paragons of a new womanhood by which American women could rework their ideas of gender revolution and social justice during an era of reinvigorated feminist agitation Unlike the many histories of the Vietnam War that end with an explanation of why the memory of the war still divides U S society by focusing on linkages across national boundaries Frazier illuminates a significant moment in history when women formed effective transnational relationships on genuinely cooperative terms

Race and Gender in Modern Western Warfare David Ulbrich,Bobby A. Wintermute,2018-12-03 This book fills a gap in the historiographical and theoretical fields of race gender and war In brief Race and Gender in Modern Western Warfare RGMWW offers an introduction into how cultural constructions of identity are transformed by war and how they in turn influence the nature of military institutions and conflicts Focusing on the modern West this project begins by introducing the contours of race and gender theories as they have evolved and how they are employed by historians anthropologists sociologists and other scholars The project then mixes chronological narrative with analysis and historiography as it takes the reader through a series of case studies ranging from the early nineteenth century to the Global War of Terror The purpose throughout is not merely to create a list of so called great moments in race and gender but to create a meta landscape in which readers can learn to identify for themselves the disjunctures flaws and critical synergies in the traditional memory and history of a largely monochrome and male exclusive military experience The final chapter considers the current challenges that Western societies particularly the United States face in imposing social diversity and tolerance on statist military structures in a climates of sometimes vitriolic public debate RGMWW represents our effort to blend race gender and military war to problematize these intersections and then provide some answers to those problems **The Routledge**

Handbook of US Foreign Policy in the Indo-Pacific Oliver Turner,Nicola Nymalm,Wali Aslam,2022-12-30 This handbook provides a comprehensive survey of US foreign policy throughout the Indo Pacific Home to around 60 percent of the world s population most of the world s largest and fastest growing economies around half of the world s states with full nuclear capabilities and a complicated web of unresolved tensions disputes and conflicts the Indo Pacific is arguably the most diverse dynamic and contested region on Earth US strategy there has evolved over centuries with its physical presence going broadly unchallenged since at least the middle of the last century However the rapid development and expanding influence of China alongside the growth of India Indonesia Vietnam the Philippines and others as well as political and economic crises and disruptions within the United States itself mean that in recent times the US has come to occupy a newly uncertain position and perceive a range of highly unfamiliar challenges To explore how the US has managed and continues to manage its regional history and how it approaches the modern day landscape of an Indo Pacific only recently normalised within

international political discourse the book contains 33 newly commissioned chapters from leading experts in the field It does so partly with help from the more traditional realms of International Relations theory as well as more critical realms It also unpacks US policy and strategy as it pertains to regional governments states and multilateral institutions as well as to pressing issues including inter state security human rights trade artificial intelligence and cyber strategy It does so in four parts History of the US in the Indo Pacific Theorising US Policy and Presence in the Indo Pacific The US and Indo Pacific States and Institutions The US and Indo Pacific Issues The book is designed to be of interest to students and scholars of the US in the Indo Asia Pacific the international relations of the Indo Asia Pacific and US foreign policy

Protest in the Vietnam War Era Alexander Sedlmaier, 2022-01-15 This book assesses the emergence and transformation of global protest movements during the Vietnam War era It explores the relationship between protest focused on the war and other emancipatory and revolutionary struggles moving beyond existing scholarship to examine the myriad interlinked protest issues and mobilisations around the globe during the Indochina Wars Bringing together scholars working from a range of geographical historiographical and methodological perspectives the volume offers a new framework for understanding the history of wartime protest The chapters are organised around the social movements from the three main geopolitical regions of the world during the 1960s and early 1970s the core capitalist countries of the so called first world the socialist bloc and the Global South The final section of the book then focuses on international organisations that explicitly sought to bridge and unite solidarity and protest around the world In an era of persistent military conflict the book provides timely contributions to the question of what war does to protest movements and what protest movements do to war

Silence in the Quagmire Harriet E. H. Earle, 2025-05 In *Silence in the Quagmire* Harriet E H Earle uses silence to construct a narrative of the Vietnam War via U S comics Unlike the vast majority of cultural artifacts and scholarly works about the war which typically focus on white working class American servicemen and their experiences of combat Earle s work centers less visible players the Vietnamese on both sides of the conflict women and girls and returning veterans Earle interrogates the ways this conflict is represented in American comic books with special focus on these missing groups She discusses how and more critically why these groups are represented as they are if they re represented at all and the ways these representations have affected views of the war during and since Using Michel Foucault s understanding of silence as discourse Earle considers how both silence and silencing are mobilized in the creation of the U S centric war narrative Innovative in its structure and theoretical scaffolding *Silence in the Quagmire* deepens our understanding of how comic books have represented the violence and trauma of conflict

Uncertain Warriors David Fitzgerald, 2023-11-09 Explores the identity crisis of the post Cold War US Army and their struggles to adapt to profound geopolitical and cultural changes

Bruce Springsteen, Cultural Studies, and the Runaway American Dream Jerry Zolten, 2016-05-23 There is little question about the incredible power of Bruce Springsteen s work as a particularly transformative art as a lyrical and musical fusion that never shies away from sifting

through the rubble of human conflict As Rolling Stone magazine s Parke Puterbaugh observes Springsteen is a peerless songwriter and consummate artist whose every painstakingly crafted album serves as an impassioned and literate pulse taking of a generation s fortunes He is the foremost live performer in the history of rock and roll a self described prisoner of the music he loves for whom every show is played as if it might be his last In recent decades Puterbaugh adds Springsteen s music developed a conscience that didn t ignore the darkening of the runaway American Dream as the country greedily blundered its way through the 1980s and into the sociocultural detritus of a new century paralysed by isolation and uncertainty Bruce Springsteen Cultural Studies and the Runaway American Dream reflects the significant critical interest in understanding Springsteen s resounding impact upon the ways in which we think and feel about politics religion gender and the pursuit of the American Dream By assembling a host of essays that engage in interdisciplinary commentary regarding one of Western culture s most enduring artistic and socially radicalizing phenomena this book offers a cohesive intellectual and often entertaining introduction to the many ways in which Springsteen continues to impact our lives by challenging our minds through his lyrics and music

The Routledge History of Gender, War, and the U.S. Military Kara Vuic, 2017-08-15 The Routledge History of Gender War and the U S Military is the first examination of the interdisciplinary intersecting fields of gender studies and the history of the United States military In twenty one original essays the contributors tackle themes including gendering the other gender and war disability gender and sexual violence gender and American foreign relations and veterans and soldiers in the public imagination and lay out a chronological examination of gender and America s wars from the American Revolution to Iraq This important collection is essential reading for all those interested in how the military has influenced America s views and experiences of gender

Gender and Firearms Peter Squires, 2024-04-01 Private gun ownership for self defense remains a major personal and public issue in the United States driven by concerns about crime vulnerability and a range of ideological factors including race and gender As media attention centres upon the extent to which women are taking up firearms with the gun lobby and firearms manufacturers celebrating the new armed woman and guns being promoted as Rape Prevention Kits this book explores the changing gendered aspects of gun ownership Can ownership of firearms by women be considered as some have claimed the embodiment of what might be termed pioneer feminism as women resist male violence in a dangerous world or are different stories told by the prominence of women in firearms control campaigns or the fact that women remain frequent victims of male gun ownership Analysing representations of the armed woman in firearm and gun lobby marketing and advertising campaigns together with television and popular music forms Gender and Firearms My Body My Choice My Gun examines the directions taken in the public debate on weaponisation in the United States considering the role of women in the politics of gun safety and gun control The book draws on statistical evidence in order to shed light on trends in gun ownership whilst engaging with feminist scholarship on the relationship between gender violence risk and vulnerabilities thus opening up critical new

debates surrounding identity performance gender and risk in contemporary societies As such the book will be of likely interest to sociologists and scholars of sociology criminology and cultural and media studies with interests in gender embodiment risk crime and violence *Women's Journey to Empowerment in the 21st Century* Kristen Zaleski, Annalisa V. Enrile, Eugenia L. Weiss, 2020 Written through the lens of transnational feminism Women s Journey to Empowerment in the 21st Century offers a global view into the patriarchal attitudes that shape cultural practices that oppress women and continue to take form in the modern era By examining a range of issues the book compels readers to utilize a contextual framework in taking a closer look at contemporary violence and oppression against women in our world Race and Gender at War Lesley J. Gordon, Andrew Huebner, 2024-10-22 Fresh perspectives on the implications of gender and race in US military history from a diverse group of scholars in the field of war and society

Beyond Combat Women And Gender In The Vietnam War Era Introduction

In the digital age, access to information has become easier than ever before. The ability to download Beyond Combat Women And Gender In The Vietnam War Era has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Beyond Combat Women And Gender In The Vietnam War Era has opened up a world of possibilities. Downloading Beyond Combat Women And Gender In The Vietnam War Era provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Beyond Combat Women And Gender In The Vietnam War Era has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Beyond Combat Women And Gender In The Vietnam War Era. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Beyond Combat Women And Gender In The Vietnam War Era. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Beyond Combat Women And Gender In The Vietnam War Era, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Beyond Combat Women And Gender In The Vietnam War Era has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to

engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Beyond Combat Women And Gender In The Vietnam War Era Books

1. Where can I buy Beyond Combat Women And Gender In The Vietnam War Era books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Beyond Combat Women And Gender In The Vietnam War Era book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
