Beyond Standard Navigating The Standardized Testing Experience:

Beyond Standard Robert Pimentel, 2014-04-17 The standardized testing experience has perplexed parents and students for years For many the process has been daunting for others it has been a piece of cake Yet a vast number of test scores are average This means that very few students are eating dessert Why is this so How does this happen Why so many average scores Why has my child struggled in grade school with standardized testing Why again in high school This book sheds light on the perennial questions that accompany standardized testing The perspective this book provides offers hope for parents current standardized test takers and those yet to come Understanding key elements of the standardized testing process parents and students can take control *Leading Schools Through and Beyond the Pandemic* Suzy Hardie, Helen

Goode, David Gurr, 2024-07-01 Much of the literature has relied on others commenting on the work of educational leaders rather than the voice of the leaders driving the commentary There have been few studies attempting to capture principal voices within and between countries The International School Leadership Development Network ISLDN was formed in 2009 and has had scholars from more than 20 countries involved Barnett Woods 2021 In response to the pandemic the ISLDN embarked on a study that analyzed the impact Covid 19 had on the school leaders and the way that they lead The study captures a unique timeframe as the school leaders were still leading through the pandemic and adjusting to leadership after a global pandemic In this book we are using these cases to describe how principals not only led their schools during the pandemic but what they are doing as we come out of the pandemic What makes this book different from many of the other publications about education and the pandemic is A Principal voice is often missing from research and writing about the educational impact of the COVID pandemic B The book draws upon empirical research conducted in 2022 It is reporting on principal case studies collected as part of the research of the International School Leadership Development Network There are 37 principal cases from seven countries and 25 writers These cases have not been reported elsewhere and were collected especially for the book C The cases are focused not only on how principals led their school through the pandemic but how they are leading beyond the pandemic A feature of the cases is reflection on enduring changes to education and the implications for future educational leadership D Whilst principals discuss their responses to the various mandates and pressures and what worked well and what could have been done better they also reflect on the support they gave others and the support they got
