The Execution By Sharon Cramer:

The Execution Sharon Cramer,2012-02-14 THE EXECUTION What if you had only one night to live and you met someone worth dying for Tomorrow he would be dead Fourteenth Century France D ata a young priest is a dark angel amid the death and despair of the medieval prison As he enters the cell of the condemned man the mercenary the evil one D ata is immediately transfixed by the killer s eyes He is shocked to discover that the face of the murderer is his own a mirror image of himself The twins unknown to each other until now reveal the life events that brought them to this fetid dungeon creating an unbreakable bond sealed with their darkest secrets But with only hours until the execution D ata begins to question which man should truly be condemned Should it be Ravan the ruthless killer a boy from an orphanage who suffered the unimaginable Or should it be himself the man of God whose own tormented desires ended in the inescapable darkness of his own soul As the sun rises D ata knows what he must do Only one man would die but two men would be free **Niveus**

notions that the Jews are a nation that exile is the main cause of their past suffering and that Jewish history is made solely in Israel Zionism is an illusion because it has failed to normalize the Jewish condition In particular it has not eliminated anti-Semitism but rather cultivates it in order to keep Jews within the fold Once independent the State of Israel emptied the Middle East and North Africa of their Jewish populations and prevented large numbers of Soviet Jews from settling in North America or anywhere else but Israel Now the target is France but French Jews though massively Zionist are reluctant to emigrate Israel it seems cannot thrive and prosper without draining the Diaspora of its finances its youth indeed its very identity Israeli control of Jerusalem has not brought the Messianic age any closer Rabbis used to worry that the Holocaust could mean that God abrogated His covenant with the Jews Israel's victory in 1967 convinced them that the covenant still holds The Holocaust has however encouraged Jewish paganism as Jews adulate power and define themselves purely as an ethnic group Hitlerjuden The State of Israel claims to be the culmination of Jewish history but its leaders insist that we are still in the rut of 1938 The State of Israel is perfectly capable of defending itself and has no need of solidarity rallies in the Diaspora Zionism allows the Jewish establishment to retain power but reduces the Diaspora to a subordinate role Yet Judaism was born and developed in exile If Jews divest themselves of their siege mentality Judaism can become a university for adults without examinations or tuition fees open to all

Wilson provides pastors with the tools to effectively use sermon illustrations to help them communicate the Bible's teachings To reach the hearts and minds of their congregations preachers must do more than explain the truth they must demonstrate how the truth relates to real life Every sermon should be theologically rich and thoroughly biblical but a good illustration can take what might be an abstract concept and turn it into a concrete reality for the listener In *Illustrating Well* preachers will discover what makes for a compelling illustration as well as the benefits and potential pitfalls of particular types of illustrations

Lady Bird Johnson and the Environment Lewis L. Gould, 2021-10-08 In the 1960s Lady Bird Johnson sought to improve the natural appearance of Washington D C to make the nation's highways less cluttered with billboards and junkyards and to advance the environmental agenda of Lyndon Johnson's presidency The popular understanding of what she did remains incomplete and her role as a woman conservationist has not been well understood In this the first book to example her accomplishments as First Lady Lewis Gould shows Lady Bird Johnson as a catalyst for environmental ideas and as a powerful and persuasive force within her husband's administration Although passage of the Highway Beautification Act in 1965 was the legislative apex of her efforts Lady Bird Johnson also articulated a wide range of conservation issues framing policy initiatives and focusing public opinion She instilled conservation and ecological ideas in the national mind Gould argues with a skill and adroitness that puts Mrs Johnson in the front rank among modern First Ladies Indeed in his view only Eleanor

Roosevelt surpasses her in importance This book is the result of Gould s extensive research in the LBJ Library and draws on his interviews with such key figures as Interior Secretary Steward Udall Press Secretary Liz Carpenter District of Columbia Mayor Walter Washington and Lady Bird Johnson herself
