The Henry Root Letters Henry Root,1980 *The Further Letters of Henry Root* Henry Root,1980 *The Complete Henry Root Letters* Henry Root,2001 Henry Root: the Collected Letters Henry Root,1982-01-01 Henry Root's World of Knowledge Henry Root,1982 Helen Hunt Jackson Kate Phillips,2003-04-03 Ramona continuously in print for over a century has become a cultural icon but Jackson's prolific career left us with much more notably her achievements as a prose writer and her work as an early activist on behalf of Native Americans This long overdue biography of Jackson's remarkable life and times reintroduces a distinguished figure in American letters and restores Helen Hunt Jackson to her rightful place in history **Darkest England** Idries Shah,1999 This work offers coverage of England in an anthropological sense and from the Sufi perspective *You Cannot Live As I Have Lived and Not End Up Like This* Terence Blacker,2012-02-29 Though born into privilege and inheriting a fortune Willie Donaldson ended up dying alone in a seedy rented flat his computer still logged on to a lesbian porn site To some he had been one of the great under rated comic writers of our time and to others a dangerous force of corruption and decadence His achievements were significant he published Sylvia Plath while still at Cambridge as a producer in the Sixties he staged *Beyond the Fringe* and he was later to write the celebrated *Henry Root Letters* but not as impressive as his reckless talent for self destruction The impresario became a serial bankrupt The man about town who had lived with Sarah Miles and been engaged to Carly Simon ended up as a ponce in a Chelsea brothel Success as a writer quickly led him into a dark underworld of crack addiction fraud and sexual obsession Now friend and collaborator Terence Blacker unravels the intimate truth of Willie Donaldson's strange story in all its glamour hilarity and pain What a young fool I was But how I adored him Carly Simon A slimy crook *Private Eye* For the skill and wit of his writing he deserves to be hailed as the English Nabokov Auberon Waugh I am someone who always answers the phone at 1 00 am because I know it isn't going to be my bank manager or the Inland Revenue but probably a crack dealer or a prostitute Willie Donaldson Root Into Europe Henry Root,1993 William Donaldson's preposterous invention Henry Root became known for his correspondence with celebrities from many walks of life which was published in *The Henry Root Letters* and *The Further Letters of Henry Root* Ben Le Vay's Eccentric Cambridge Benedict Le Vay,2011 Cambridge is a popular city for international tourists keen to take a behind the scenes look at this old English university city's people and places Benedict Le Vay reveals hidden secrets and amazing stories of the city's architecture scandalous stories of the most outrageous dons and most importantly how to punt on the River Cam without looking like a complete prat The City Grump Rides Out The City Grump,2019-02-12 *The City Grump Rides Out* is a collection of clever acerbic and at times downright hilarious commentaries on the business and political landscape of the United Kingdom Through his colourful and observant prose the City Grump roots out some of the absurdities perpetrated by the leaders and institutions of the country For the past nine years the City Grump has been turning his fire on those he believes we would be better off without in his regular column for *Real Business*

Now he compiles these popular articles covering contemporary finance politics Europe and society in a topical book for equally grumpy readers with a cover illustrated by Britain's most famous living cartoonist Gerald Scarfe But the Grump who trod the Square Mile for three decades as a successful fund manager is not solely negative Through his debut book he raises a glass to small business whose entrepreneurs are the foundation of the UK Leaders beware
