The Hook Up Game On 1 By Kristen Callihan:

Exposed Kristen Callihan, 2021-07-13 Brenna There are some people in life who know exactly how to push your buttons For me it's Rye Peterson We can't spend more than ten minutes together before we're at each other's throats which makes working together that much harder Rye is the bassist for Kill John the biggest rock band in the world and I am his publicist It doesn't help that the man is gorgeous funny talented and never takes anything seriously Avoidance is key But everything changes when he overhears something he shouldn't a confession made in a moment of weakness Now the man I've tried so hard to ignore is offering me the greatest temptation of all him Rye Brenna James is the one The one I can't have The one I can't get out of my mind Believe me I've tried the woman loathes me I managed well enough until I heard her say she's as lonely as I am That she needed to be touched held satisfied And I could no longer deny the truth I wanted to be the one to give her what she craved I convinced her that it would just be sex mutual satisfaction with nothing deeper But the moment I have her she becomes my world I've never given her a good reason to trust me before Now I've got to show Brenna that we're so much better together than we ever were apart Things are going to get messy But getting messy with Brenna is what I do best

Fall Kristen Callihan, 2018-10-23 The first time I met Jax Blackwood things went a little sideways In my defense I didn't know he was Jax Blackwood who expects a legendary rock star to be shopping for groceries More importantly a blizzard was coming and he was about to grab the last carton of mint chocolate chip Still I might have walked away but then he smugly dared me to try and take the coveted ice cream So I kissed him And distracted that mint chip right out of his hands Okay it was a dirty move but desperate times and all that Besides I never expected he'd be my new neighbor An annoying neighbor who takes great pleasure in reminding me that I owe him ice cream but would happily accept more kisses as payment An irresistible neighbor who keeps me up while playing guitar naked spectacularly naked in his living room Clearly avoidance is key Except nothing about Jax is easy to ignore not the way he makes me laugh or that his particular brand of darkness matches mine or how one look from him melts me faster than butter under a hot sun Neither of us believes in love or forever Yet we're quickly becoming each other's addiction But we could be more We could be everything All we have to do is trust enough to fall

Prequels, Coquels and Sequels in Contemporary Anglophone Fiction Armelle Parey, 2018-09-03 This book offers to delineate a key phenomenon in contemporary Anglophone fiction novel expansion when the plot and characters from a finished novel are retrieved to be developed in new adventures set before after or during the narrative time of the source text If autographic and allographic sequels are almost as old as literature prequels that imagine the anteriority of a narrative and coquels that develop secondary characters in the same story time as the source text are more recent The overall trend for novel expansion spread in the mid 1980s and 1990s and has since shown no sign of abating This volume is organised following three types of relationships to the source texts even if these occasionally combine to produce a more complex structure This book comprises 11 essays preceded by an introduction that examines narrative strategies

aesthetic ethical and political tendencies underlying these novel expansions Following the overview provided in the introduction the reader will find case studies of prequels coquels and sequels before a final chapter that encompasses them all and more

La partita vincente Kristen Callihan, 2017-07-03 Anna Jones determinata a finire il college per scrollarsi di dosso le insicurezze dell'adolescenza e riuscire finalmente a trovare la sua strada nella vita Nessuna distrazione tanto impegno e un solo proposito tenere alla larga il quarterback superstar del college che continua a lanciarle sguardi infuocati a la attrae disperatamente Drew Baylor ha un luminoso futuro davanti a s quarterback di talento per un college prestigioso pronto al grande salto verso l NFL La notoriet dentro e fuori dal campus parte di lui anche se l affascinante QB non sembra darci troppo peso Ma non avrebbe mai pensato di incontrare o peggio di perdere la testa per l unica persona che sembra infastidita e intollerante alla sua fama Una stella del football come Drew Baylor certamente sa come vincere una partita ma riuscir a colpi di incontri bollenti tanta dolcezza e perseveranza a segnare il punto della vittoria nel cuore della sua irriverente Jones
