RK Narayan's India: A Perspective Dr. Kanika K Arya,2022-12-16 R K Narayan is a writer whose stories have enamoured my soul whether it was the rendition of stories on the audio visual medium or the books that filled my hands and mind with treasures of common and mystical These stories are created in the simple yet magical world of Malgudi which has a wealth of peculiar characters straight out of a town or village in India these common folk and their idiosyncrasies amuse and connect us with them in an incomprehensible way We can analyse ourselves and our imperfections through reading their stories These stories are a mirror to human frailties thus inspiring us to live rather than always trying to become better version of ourselves Ambition glamour development technology competition to grow big and do big is what has never touched Narayan stories his characters live unperturbed in simple villages simply enjoying every morsel and every conversation that comes their way

Indian myths and folklore form the bedrock of his stories Simply told yet holding didactic messages through symbolic connect to mythology and Vedic and Puranic texts A Narayan story is a sneak peek into the unpretentious common folk and their life and ambitions wish the writer was presenting another story to us where how social media and digitization affects the amusing world of Malgudi would have been a treat to read This book is an endeavour from my side to write about the contribution of Narayan to Indian English Literature and attempting a commentary upon some of his remarkable works

Legacies of Romanticism Carmen Casaliggi, Paul March-Russell, 2013-03-05 This book visits the Romantic legacy that was central to the development of literature and culture from the 1830s onward Although critical accounts have examined aspects of this long history of indebtedness this is the first study to survey both Nineteenth and Twentieth century culture The authors consider the changing notion of Romanticism looking at the diversity of its writers the applicability of the term and the ways in which Romanticism has been reconstituted The chapters cover relevant historical periods and literary trends including the Romantic Gothic the Victorian era and Modernism as part of a dialectical response to the Romantic legacy Contributors also examine how Romanticism has been reconstituted within postmodern and postcolonial literature as both a reassessment of the Modernist critique and of the imperial contexts that have throughout this time frame underpinned the Romantic legacy bringing into focus the contemporaneity of Romanticism and its political legacy This collection reveals the diversity and continuing relevance of the genre in new and exciting ways offering insights into writers such as Browning Ruskin Pater Wilde Lewis MacNeice and Auster

R . K. Narayan SARBANI PUTATUNDA, 2012-02-11 Today Indian Writing in English or Indo Anglian Writing has certainly come of age with the novel having a pride of place and names such as Salman Rushdie V S Naipaul Vikram Seth Amitav Ghosh Kiran Desai and Aravind Adiga prominently figuring in the list But the credit for placing Indo Anglian writing on a high pedestal should go to earlier writers like Rabindranath Tagore Mulk Raj Anand R K Narayan and Raja Rao Among these R K Narayan is the most celebrated novelist This edited volume deals with several important Malgudi novels of R K Narayan such as *Swami and Friends* *The Bachelor of Arts* *The English Teacher* and *The Guide* and short stories and throws light on various aspects of his creative art It traces the evolution of all the genres of Indian Writing in English as well as R K Narayan the novelist The book dwells upon R K Narayan s art of characterization with reference to central male characters use of humour and the cultural milieu of Malgudi It also discusses in detail R K Narayan s standpoint regarding the actual social status of Indian women Finally the book focuses on R K Narayan s use of myths and symbols and shows how these enable him to convey artistically the implication of the experience that forms the base of the novels The book is meant for the undergraduate and postgraduate students of English Literature Besides all those readers who wish to delve deeper into the works of R K Narayan will find the book quite useful

Dr. Kavita Kusugal, 2019-11-21 Man and woman are two necessary wheels in the journey of life But basically they differ so much in their nature thinking feelings and role adoption that some time they lead to complexities in life To study this

difference and have a look into the psyche and caliber of women it s necessary to have a picture of women as depicted in the fiction We have heard common people talking of feminism as if it is by the women for the women and that women writers must write about women related issues They say feminism entered India with the influence of western literature in twentieth century But I feel writers like Rabindranath Tagore who wrote Two Sisters D R Bendre who wrote Putta Vidhave in Kannada Kuvempu who wrote Kanuru Subbamma Heggaditi and R K Narayan are feminists in many of their works Tarabai Shinde the first modern Indian feminist formulates her ideology from the influence of Satyashodhak Movement lead by Phule couple
