children's fiction The volume covers Winterson's major fiction with the Introduction connecting the images of huts rivers and fire gazing that are found extensively in her works to the themes of time and space and bringing the discussion up to Winterson's latest novel *The Stone Gods* A mixture of established and new scholars presents in this book an exciting array of the latest ideas on this respected and popular writer *Critical Perspectives on Resistance in 21st-Century British Literature* Nilay Erdem Ayyıldız, 2024-04-03

Novel Approaches to Lesbian History Linda Garber, 2022-01-01 Novel Approaches to Lesbian History tells a tale about history and community in our allegedly post identity era examining contemporary novels that depict lesbian characters in recognizable historical situations These imaginative stories provide a politically vital speculative past in the face of a sketchy problematic archive Among the memorable characters in some 200 novels are pirates cowgirls and famous artists ghosts and time travellers immigrants and lovers The best lesbian historical novels are conscientious and buoyant as they engage critical historiographical questions but Novel Approaches also discusses the class and race biases that weigh on the genre Some lesbian historical novels are based on archival evidence others on conjecture or fantasy but all convey the true fact that identity is elusive without a past without which its future is nearly impossible
