**Posthumanist Readings in Dystopian Young Adult Fiction** Jennifer Harrison, 2019-04-29 If there is one trend in children's and YA literature that seems to be enjoying a steady rise in popularity it is the expansion of the YA dystopian genre While the genre has been lauded for its potential to expand horizons promote critical thinking and foster social awareness and activism it has also come under scrutiny for its promotion of specific ideologies and its often sensationalist approach to real world problems In an examination of six YA dystopian texts spanning more than twenty years of development of the genre this book explores the way in which posthumanist ideologies in particular are deployed or resisted in these texts as a means of making sense of the specific challenges which young people confront in the twenty first century **Encountering Enchantment** Susan Fichtelberg, 2015-09-29 The most current and complete guide to a favorite teen genre this book maps current releases along with perennial favorites describing and categorizing fantasy paranormal and science fiction titles published since 2006 Speculative fiction continues to be of consuming interest to teens so if you work with that age group keeping up with the explosion of new titles in this category is critical Likewise understanding the many genres and subgenres into which these titles fall wizard fantasy alternate worlds fantasy mystery dystopian fiction science fantasy and more is also key if you want to motivate young readers and direct them to books they'll enjoy Written to help you master a complex array of genres and titles this guide includes more than 1 500 books most published since 2006 organizing them by genre subgenre

and theme Subgenres growing in popularity such as steampunk are highlighted to keep you current with the latest trends  
The guide will serve three audiences Of course you can turn to it as you help your teenage patrons select the books and  
genres that will interest them most Teen readers whether devoted fans or newcomers can use it themselves to find titles and  
subgenres they might like In addition the guide will help teachers and parents match students with the right books
