The Kenneth Williams Diaries By Kenneth Williams:

The Kenneth Williams Diaries Kenneth Williams,1994 For more than 40 years broadcaster and comedian Kenneth Williams kept a journal of his experiences This book is a selection of these diaries **The Kenneth Williams Letters**

Russell Davies,2008-06 Following the bestselling publication of THE KENNETH WILLIAMS DIARIES the devastating self portrait of one of our most loved and complex performers is completed with this marvellous selection of his letters This is a wonderful treasure trove of correspondence with all manner of people including Alec Guinness Maggie Smith Joe Orton Richard Burton and Elizabeth Taylor and the Stokers Mess of HMS Leverton Kenneth Williams took letters very seriously and he was always disgusted by a morning that failed to provide him with some material to pore over Letters called forth the performer in Williams in a way that his diaries never did many of them are virtual comic monologues and in general they suggest more strongly than the diaries the likeable and constructive side of a man who remains nevertheless as outrageous and difficult as ever **Kenneth Williams Back Drops** Kenneth WILLIAMS,1983 **Private World of Kenneth Williams**

Kenneth Williams,2004-04-01 In this documentary portrait of Kenneth Williams who died in 1988 the much loved comedy actor s diaries are drawn upon to illustrate his life and career *Kenneth Williams Diaries* 27bk Bin Russell

Davies,1994-06-13 **Kenneth Williams Unseen: The private notes, scripts and photographs** Wes Butters,Russell

Davies,2010-07-15 To mark the 20th anniversary of Kenneth Williams death a beautiful coffee table book celebrating his life including never before seen photographs sketches and personal testimony from Williams closest friends for the very first time

The Kenneth Williams Letters Kenneth Williams,2005 This selection of letters recalls the performer in Williams and reflects a unique man with a troubled personality The correspondence ranges from Alec Guinness Maggie Smith Richard Burton Elizabeth Taylor and the stokers Mess of HMS Leverton **BEYOND OUR KENNETH BILL**. HOLLAND,2025

Kenneth Williams: Born Brilliant Christopher Stevens,2010-10-14 Kenneth Williams was the stand out comic actor of his generation Beloved as the manic star of Carry On films and as a peerless raconteur on TV chat shows he was also acclaimed for serious stage roles Born Brilliant includes previously unseen material from Williams s candid daily journal and also draw on rare in depth interviews with friends and colleagues Since the publication of edited extracts from his diaries much controversy has surrounded Williams s personal and professional lives This biography traces the complex contradictions that characterised an extraordinary life and presents the first full portrait of a star who was born brilliant

Queer Theory and the Prophetic Marriage Metaphor in the Hebrew Bible Stuart Macwilliam,2016-04-08 The Hebrew Bible offers a metaphor of marriage that portrays men and women as complementary each with their distinct and natural roles Queer Theory and the Prophetic Marriage Metaphor in the Hebrew Bible draws on contemporary scholarship to critique this hetero normativity The book examines the methodological issues involved in the application of queer theory to biblical texts and draws on the concept of gender performativity the construction of gender through action and behaviour to

argue for the potential of queer theory in political readings of the Bible The central role of metaphor in reinforcing gender performativity is examined in relation to the books of Jeremiah Hosea and Ezekiel The book offers a radical reassessment of the relationship between biblical language and gender identity Born Brilliant Christopher Stevens,2011 Kenneth Williams was the stand out comic actor of his generation This book includes much previously unseen material from Williams s candid daily journal and also draws on rare in depth interviews with friends and colleagues *Straight* Wheeler Winston Dixon,2012-02-01 straight str t adj without curves correct honest not deviating from the normal conventional Heterosexual Practically all mainstream cinema is straight and has been since its inception In *Straight* Wheeler Winston Dixon explores how heterosexual performativity has been constructed in film from early cinema to the present day In addition to discussing how cinematic visions of masculine and feminine desire have been commodified and sold to reinforce existing societal constructs Dixon also documents the recent emergence of hypermasculinity a kinetic and exaggerated masculinity that has been created to counter the more gentle thoughtful male portrayed in *While You Were Sleeping* *Sleepless in Seattle* and other films that seemingly threaten the established order of patriarchal cinematic discourse **Who's who in Contemporary Gay and Lesbian History** Robert Aldrich,Garry Wotherspoon,2002 A comprehensive modern biographical survey of homosexuality in the modern world containing more than 500 entries *Who's Who in Contemporary Gay and Lesbian History Vol.2* Robert Aldrich,Garry Wotherspoon,2005-07-25 Who s Who in Contemporary Gay and Lesbian History From World War II to the Present Day provides a comprehensive modern biographical survey of homosexuality in the Western world Among those included are Controversial political activists Peter Tatchell Guy Hocquenghem Harvey Milk Pop icons David Bowie k d lang Boy George Groundbreaking artists writers and filmmakers Pier Paolo Pasolini Derek Jarman David Hockney Intellectuals who have shaped and changed the modern understanding of sexuality Michel Foucault Simone de Beauvoir Alfred Kinsey Over 500 entries clear informative and enjoyable to read build up a superbly thorough overview of gay and lesbian life in our time *Patrick White Beyond the Grave* Ian Henderson,Anouk Lang,2015-08-15 Patrick White 1912 1990 won the Nobel Prize for Literature in 1973 and remains one of Australia s most celebrated writers In 2006 White s literary executor Barbara Mobbs released a highly significant collection of hitherto unpublished papers reviving mainstream and scholarly interest in his work *Patrick White Beyond the Grave* considers White s writing in light of the new findings acknowledging his homosexuality in relation to the development of his literary style examining the way he engages his readers and contextualizing his life and oeuvre in relation to London and to London life Thought provoking this collection of original essays represents the work of an outstanding list of White scholars from around the globe and will no doubt inspire further work on White from a rising generation of scholars of twentieth century literature beyond Australia *A National Joke* Andy Medhurst,2007-09-18 Comedy is crucial to how the English see themselves This book considers that proposition through a series of case studies of popular English comedies and comedians in the twentieth century ranging from the Carry

On films to the work of Mike Leigh and contemporary sitcoms such as *The Royle Family* and from George Formby to Alan Bennett and Roy Chubby Brown Relating comic traditions to questions of class gender sexuality and geography *A National Joke* looks at how comedy is a cultural thermometer taking the temperature of its times It asks why vulgarity has always delighted English audiences why camp is such a strong thread in English humour why class influences what we laugh at and why comedy has been so neglected in most theoretical writing about cultural identity Part history and part polemic it argues that the English urgently need to reflect on who they are who they have been and who they might become and insists that comedy offers a particularly illuminating location for undertaking those reflections *The Assassin's Cloak* Irene

Taylor, Alan F. Taylor, 2003 With 170 contributors a scope that is peerless international and crosses centuries *The Assassin's Cloak* pays tribute to a fascinating genre that is at once the most intimate and public of all literary forms There are several diary excerpts for every day of the year beginning with Samuel Pepys and along the way we meet cad and charmers sailors and psychopaths rock stars and prima ballerinas gossips drunks snobs lechers and lovers There is humour and tragedy history and the humdrum often recoded on the same day or in the same entry **The Official Carry On Facts, Figures & Statistics** Kevin Snelgrove, 2011-09-28 Little did anyone know back in 1958 when the first Carry On film *Carry on Sergeant* was produced by Peter Rogers and directed by Gerald Thomas that 50 years and 31 films later Carry On would have become such a well loved British comedy institution and one that continues to have people rolling in the aisles And what better way to celebrate Carry On's 50th anniversary in 2008 than to dazzle Carry On fans with this incredibly well researched treasure trove of information including technical data about each film interesting facts about every member of the Carry On team and every conceivable statistic that you could ever imagine With forewords by Carry On cameraman Alan Hume and actor Jack Douglas and peppered with photographs and actors anecdotes and memories this book is an absolute must for every Carry On aficionado **THE "I" OF THE STORM** David Lester, 2014-01-01 We cannot explain why people kill themselves There are no necessary or sufficient causes for suicide so rather than explaining suicide looking for causes perhaps we can understand suicide at least in one individual a phenomenological approach This book begins by examining the diaries from eight individuals who killed themselves Using qualitative analyses supplemented in some cases by quantitative analyses Lester seeks to uncover the unique thoughts and feelings that led these individuals to take their own lives Lester has also studied suicide notes the poems of those who died by suicide both famous poets and unpublished poets the letters written by suicides blogs and twitter feeds and one tape recording of a young man who killed himself just an hour or so after he recorded the tape This book will give you insights into the I of the storm the suicidal mind David Lester has PhD's from Cambridge University UK and Brandeis University USA He is a former President of the International Association for Suicide Prevention and a leading scholar on suicide murder the fear of death and other topics and thanatology *When the Carry On Stopped* Dave Ainsworth, 2025-03-30 Uncover the turbulent transition of the Carry On series and its stars during the

1960s When the Carry On Stopped looks at how the Carry On film series made its painful transition from one film company Anglo Amalgamated to another the Rank Organisation In examining this little known but fascinating story the growth of Anglo Amalgamated is highlighted through the success of its owners partners Stuart Levy and Nat Cohen Levy s sudden death in 1966 encouraged Cohen to ditch the Carry Ons in favour of more prestigious feature films Without a film distributor the series producer Peter Rogers was forced to search for another eventually finding the series a new home at Rank However Rank was unwilling to endorse the work of a rival and so dropped the Carry On title The Carry On series looked doomed When the Carry On Stopped also sheds new light on the careers of the Carry On stars at this critical time We learn of Barbara Windsor s involvement in the stage disaster Twang of Jim Dale s stage success Sid James first heart attack and Charles Hawtrey losing his mother The book calls out the fat shaming of Joan Sims as one of the many injustices shown to her by the producer This is essential reading for Carry On fans and those interested in the machinations of the British entertainment industry in the 1960 s
