The Man Who Wrote The Book By Erik Tarloff:

The Novelist in the Novel Elizabeth King, 2023-11-14 Why do writers so often write about writers This book offers the first comprehensive account of the phenomenon of the fictional novelist as a character in literature arguing that our notions of literary genius and what it means to be an author are implicitly shaped by and explicitly challenged in novels about novelists a genre that has been critically underexamined Employing both close and distant reading techniques to analyse a large corpus of author stories The Novelist in the Novel explores the forms and functions of author stories and the characters within them offering a new theory that frames these works as textual sites at which questions of literary value and the cultural conceptions around authorship are constantly being negotiated and revised in a form of covert criticism aimed directly at readers While nineteenth century novels about novelists reveal a pervasive frustration with the market a starving artist vs commercial sell out dichotomy modernist examples of the genre focus on the development of the individual author as artist entirely aloof from the marketplace and from the literary sphere at large Yet each of these dynamics is gendered with women denigrated to commercial producers and men elevated to artists and while the canon has largely supported the male view of authorship a closer look at the work of women writers from this period reveals concerted attempts to counteract it Silly Lady Novelists are pitted against serious male modernists in a battle to define what it means to be a literary genius

Daphne Patai,2008-05-29 This volume brings together for the first time more than two dozen of Daphne Patai's incisive and at times satirical essays dealing with the academic and intellectual orthodoxies of our time Patai draws on her years of experience in an increasingly bizarre academic world where a stifling politicization threatens genuine teaching and learning Addressing the rise of feminist dogma the domination of politics over knowledge the shoddy thinking and moralizing that hide behind identity politics and the degradation of scholarship her essays offer a resounding defense of liberal values Patai takes aim at the unctuous and also dangerous posturing that has brought us restrictive speech codes harassment policies and a vigilante atmosphere while suppressing plain speaking about crucial issues But these trenchant essays are not limited to academic life for the ideas and practices popularized there have spread far beyond campus borders Included are two new pieces written especially for this volume one on the bullying tactics of a famous feminist and the other on Islamic fundamentalism *The Man who Wrote the Book* Erik Tarloff,2000 Ezra Gordon s life is falling apart His job as an underpaid literature professor at a small Baptist college in California is in jeopardy because he can t get his act together to write any articles for academic journals he has a ferocious case of writer s block and hasn t written a poem in years and he is in a lukewarm relationship with the icily disapproving Carol daughter of the fearsome college trustee the Reverend Dimsdale To escape a dreary spring break on campus Ezra heads to Los Angeles to visit Isaac Schwimmer an old college friend He s a fabulously successful publisher of pornographic books his social life is a bachelor s fantasy and he lives next door to a Penthouse model as smart as she is beautiful well almost When Isaac proposes that Ezra write a dirty book for a little fast cash Ezra takes him up on the offer Little does he know that his book *Every Inch a Lady* by E A Peau will radically change his life and throw the campus into chaos BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved Prospect ,2008
