The Eternal Husband And Other Stories By Fyodor Dostoevsky:

The Eternal Husband and Other Stories Fyodor Dostoevsky, 2000-09-05 *The Eternal Husband and Other Stories* brings together five of Dostoevsky's short masterpieces rendered into English by two of the most celebrated Dostoevsky translators of our time. Filled with many of the themes and concerns central to his great novels, these short works display the full range of Dostoevsky's genius. The centerpiece of this collection, the short novel *The Eternal Husband*, describes the almost surreal meeting of a cuckolded widower and his dead wife's lover. Dostoevsky's dark brilliance and satiric vision infuse the other four tales with all too human characters, including a government official who shows up uninvited at an underling's wedding to prove his humanity, a self-deceiving narrator who struggles futilely to understand his wife's suicide, and a hack writer who attends a funeral and ends up talking with the dead. *The Eternal Husband and Other Stories* is sterling Dostoevsky, a collection of emotional power and uncompromising insight into the human condition. *The Eternal Husband* Fyodor Dostoevsky, 1917

The Eternal Husband Fyodor Dostoevsky, Constance Garnett, 2008-02-04 A rich and idle man confronts his dead mistress's husband in this psychological novel of duality. Powerful and accessible, it offers a captivating and revealing exploration of love, guilt, and hatred.

The Eternal Husband Fyodor Dostoevsky, 2018-07-03 During a stifling St. Petersburg summer, the rich landowner Velchaninov is haunted by the figure of a man he keeps glimpsing in the street. When he receives a surprise visit from him late at night, he realizes he is an old friend, Trusotsky, whose late wife Natalya was his secret lover. As the two men renew their acquaintance, Velchaninov becomes aware that Trusotsky's child is in fact his own daughter. From then on, the destinies of the two old friends become intertwined as they engage at turns repelled and attracted by each other in a dangerous game of cat and mouse that will lead to a final dramatic confrontation. Compelling, gripping, darkly humorous, *The Eternal Husband* composed by the author at the peak of his writing powers, between *The Idiot* and *Devils* and described by Dostoevsky's biographer Joseph Frank as a small

masterpiece shows Dostoevsky at his best as a ruthless dissector of the quirks and foibles of the human character

Dostoevsky Sober Hope Finding Faith in the Bleak Midwinter As winter descends to end the year 2023 it is a time for contemplation a time to revel in the joys and find balm for the woes of the past year a time to find the courage to hold on and the hope to thrive in the new year Fyodor Dostoevsky 1821 1881 faced his own bleak and Russian winters from childhood play amongst the impoverished at his father s medical clinic to a last minute reprieve from the Tsar s firing squad for discussing banned books followed by ten years of prison camp and military service in exile While his novels such as Crime Punishment and The Brothers Karamazov demonstrate human depravity they also give glimmers of grace love and beauty which have made him one of the most beloved novelists of all time It is our hope that as you find time to relax during the holiday season making it a habit for the new year that you will find these discussions deeply meaningful Awaiting for you within are discussions of his characters from novels and short stories alike Dostoevsky inspired poems and reviews of films books and even contemporary music which reflect the light and warmth he dared to find in his own bleak winter

Figurally Colored Narration Wolf Schmid, 2022-04-04 Figurally colored narration FCN is narrator's discourse whether in the first or third person that adopts salient features of character's text mainly valuation and designation without signaling the figural part in any way Unlike free indirect discourse FCN does not refer to current acts of consciousness but to typical characteristic segments of the character's text There are two main modes of FCN contagion of the narrator's discourse with a character's text and the more or less ironical reproduction of a character's text in narrative discourse In the latter case the narrator's criticism may refer to either the content of the character's text or to its form of expression This study begins with a definition and an example of FCN as a narrative device followed by an analysis of terms used for FCN in German Anglophone and Russian literary criticism Building on the perception of FCN as a phenomenon of interference between narrator's and character's text text interference this book analyses the function and applications of FCN in narratives written in German English and Russian **Russian Life** ,1998
