## **The Face Of Another By Kobo Abe:**

The Face of Another Kobo Abe, 2019-07-25 The narrator is a scientist hideously deformed in a laboratory accident a man who has lost his face and with it connection to other people Even his wife is now repulsed by him His only entry back into the world is to create a mask so perfect as to be undetectable But soon he finds that such mask is more than a disguise it is an alternate self a self that is capable of anything A remorseless meditation on nature identity and the social contract THE FACE OF ANOTHER is an intellectual horror story of the highest order **The Face of Another** Kōbō Abe, 1969 Intercourse

(Volume 2 of 2) (EasyRead Super Large 18pt Edition) , **Intercourse** Andrea Dworkin, 2009-09-14 Intercourse is a book that moves through the sexed world of dominance and submission It moves in descending circles not in a straight line and as in a vortex each spiral goes down deeper Its formal model is Dante s Inferno its lyrical debt is to Rimbaud the equality it envisions is rooted in the dreams of women silent generations pioneer voices lone rebels and masses who agitated demanded cried out broke laws and even begged The begging was a substitute for retaliatory violence doing bodily harm back to those who use or injure you I want women to be done with begging The public censure of women as if we are rabid because we speak without apology about the world in which we live is a strategy of threat that usually works Men often react to women s words speaking and writing as if they were acts of violence sometimes men react to women s words with violence So we lower our voices Women whisper Women apologize Women shut up Women trivialize what we know Women shrink Women pull back Most women have experienced enough dominance from men control violence insult contempt that no threat seems empty Intercourse does not say forgive me and love me It does not say I forgive you I love you For a woman writer to thrive or arguably to survive in these current hard times forgiveness and love must be subtext No I say no Intercourse is search and assertion passion and fury and its form no less than its content deserves critical scrutiny and respect PREFACE

one day and found myself in bed with a stranger Meant literally or figuratively this statement describes one of the best known plots in world mythology and popular storytelling In a tour that runs from Shakespeare to Hollywood and from Abraham Lincoln to Casanova the erudite and irrepressible Wendy Doniger shows us the variety danger and allure of the bedtrick or what it means to wake up with a stranger The Bedtrick brings together hundreds of stories from all over the world from the earliest recorded Hindu and Hebrew texts to the latest item in the Weekly World News to show the hilariously convoluted sexual scrapes that people manage to get themselves into and out of Here you will find wives who accidentally

commit adultery with their own husbands You will read Lincoln s truly terrible poem about a bedtrick You will learn that in Hong Kong the film The Crying Game was retitled Oh No My Girlfriend Has a Penis And that President Clinton was not the first man to be identified by an idiosyncratic organ At the bottom of these wonderful stories ancient myths and historical anecdotes lie the dynamics of sex and gender power and identity Why can t people tell the difference in the dark Can love always tell the difference between one lover and another And what kind of truth does sex tell Funny sexy and engaging The Bedtrick is a masterful work of energetic storytelling and dazzling scholarship Give it to your spouse and your lover

**Narrative Ironies** Raymond A. Prier, Gerald Gillespie, 2023-04-12 This volume focuses on the flourishing of irony as a primary characteristic of the great era of European narrative sophistication from the Goethezeit to Modernism Its eighteenth essays explore varieties of ironic consciousness associated with texts especially of northern Europe and the ways they established a dialogue with and on literature and culture at large As the volume shows this interrogation of Europe s self awareness of cultural identity bound up in reading and writing habits gained a new post Cervantine complexity in Romanticism and has been of lasting significance for literary theory down to postmodernism By its comparativistic framing of the issues raised by ironic consciousness Narrative Ironies duly serves as a Festschrift honoring Lilian R Furst Among major writers treated are Sterne Goethe Godwin Schlegel Hoffmann Poe Stendhal Kierkegaard Disraeli Keller Maupassant Zola Huysmans Wilde Tolstoi Hofmannsthal Strindberg Proust Mann Musil Kafka Joyce Faulkner and Szczypiorski [A Study Guide for Kobo Abe's "The Woman in the Dunes"](#) Gale, Cengage Learning, 2016-06-29 A Study Guide for Kobo Abe s The Woman in the Dunes excerpted from Gale s acclaimed Novels for Students This concise study guide includes plot summary character analysis author biography study questions historical context suggestions for further reading and much more For any literature project trust Novels for Students for all of your research needs **The Woman Who Pretended to Be Who She Was** Wendy Doniger, 2005 Many cultures have myths about self imitation stories about people who pretend to be someone else pretending to be them in effect masquerading as themselves This great theme in literature and in life tells us that people put on masks to discover who they really are under the masks they usually wear so that the mask reveals rather than conceals the self beneath the self In this book noted scholar of Hinduism and mythology Wendy Doniger offers a cross cultural exploration of the theme of self impersonation whose widespread occurrence argues for both its literary power and its human value The stories she considers range from ancient Indian literature through medieval European courtly literature and Shakespeare to Hollywood and Bollywood They illuminate a basic human way of negotiating reality illusion identity and authenticity not to mention memory amnesia and the process of aging Many of them involve marriage and adultery for tales of sexual betrayal cut to the heart of the crisis of identity These stories are extreme examples of what we common folk do unconsciously every day Few of us actually put on masks that replicate our faces but it is not uncommon for us to become travesties of ourselves particularly as we age and change We often slip carelessly across the permeable boundary between

the un self conscious self indulgence of our most idiosyncratic mannerisms and the conscious attempt to give the people who know us personally or publicly the version of ourselves that they expect Myths of self imitation open up for us the possibility of multiple selves and the infinite regress of self discovery Drawing on a dizzying array of tales some fact some fiction The Woman Who Pretended to Be Who She Was is a fascinating and learned trip through centuries of culture guided by a scholar of incomparable wit and erudition
