The Glitch In Sleep The Seems 1 By John Hulme:

The Glitch in Sleep Michael Wexler, John Hulme, 2010-12-15 Ever wondered if the world around you was not as it appeared That there was something bigger going on you couldn't quite put your finger on Welcome to The Seems a secret organisation that makes sure our world keeps running From weather to sleep to nightmares The Seems is behind everything keeping things ticking over Unless there's a Glitch which is where Becker Drane comes in Becker has the coolest job of any 7th grader he works as a Fixer for The Seems When a Glitch is reported in the Department of Sleep Becker is dispatched to fix it but he's not so sure this is a routine mission Could the Bed Bugs who are behind our Worst Nightmares be responsible for the problems Or maybe it's The Tide an underground organisation bent on destroying The Seems No matter what Becker's in for an adventure and it'll take all his training a little luck and the coolest Tools™ known in or out of The Seems to Fix the problem

Exploring, Experiencing, and Envisioning Integration in US Arts Education Nancy H.

Hensel, 2018-01-16 This book explores the dedication of the New American Colleges Universities to the purposeful integration of liberal education professional studies and civic engagement through the performing literary and visual arts Examples of course level and programmatic integration of the arts are discussed from both an applied practice based approach and a philosophical framework that posits student benefit from exploring experiencing and envisioning creativity in their future professions The authors believe that the development of professional skills in combination with the theoretical aspects of liberal arts curriculum which traditionally includes music theatre art and literature provides a high quality undergraduate educational experience that uniquely prepares students for adaptability in their careers and engaged citizenship grounded in the ability to think creatively critically and ethically

The Split Second Michael Wexler, John Hulme, 2010-12-15 Becker Drane has still got the coolest job in the world but being a Fixer in The Seems while trying to live a normal 13 year old life is sometimes impossible On the way to a family holiday a bomb explodes in the Department of Time and Becker is called in to repair the damage He discovers a path of destruction way beyond his wildest imagination and his faith in The Seems as well as in his abilities as a Fixer are shaken to the core But help comes from a new and ambitious Fixer as well as a legend from the past and soon Becker is winning out in his battle against dark forces
