Annual Reports. Report of the Postmaster-General. Miscellaneous Reports United States. Post Office Dept,1882 **The Amiable Baltimoreans** Francis F. Beirne,1984-10 Informative amusing and sometimes discomfoting it offers an incomparable look into the city s past and revealing insight into the way it seemed to one informed observer thirty years ago

The Baltimore Book Elizabeth Fee,Linda Shopes,Linda Zeidman,1993-11 Baltimore has a long colorful history that traditionally has been focused on famous men social elites and patriotic events The Baltimore Book is both a history of the other Baltimore and a tour guide to places in the city that are important to labor African American and women s history The book grew out of a popular local bus tour conducted by public historians the People s History Tour of Baltimore that began in 1982 This book records and adds sites to that tour provides maps photographs and contemporary documents and includes interviews with some of the uncelebrated people whose experiences as Baltimoreans reflect more about the city than Francis Scott Key ever did The tour begins at the B Fells Point Sparrows Point the suburbs Federal Hill and Baltimore s renaissance at Harborplace Interviews with community activists civil rights workers Catholic Workers and labor union organizers bring color and passion to this historical tour Specific labor struggles class and race relations and the contributions of women to Baltimore s development are emphasized at each stop Author note Elizabeth Fee is Professor in the Department of Health Policy and Management of The Johns Hopkins University School of Hygiene and Public Health Linda Shopes is Associate Historian at the Pennsylvania Historical and Museum Commission Linda Zeidman is Professor of History and Economics at Essex Community College *Washington and Baltimore Art Deco* Richard Striner,Melissa Blair,2014-04-30 Art Deco buildings still lift their modernist principles and streamlined chrome into the skies of Baltimore and Washington D C Second Place Winner of the Design and Effectiveness Award of the Washington Publishers The bold lines and decorative details of Art Deco have stood the test of time since one of its first appearances in the International Exhibition of Modern Decorative and Industrial Arts in Paris in 1925 Reflecting the confidence of modern mentality streamlined chrome and glossy black along with simple elegance sharp lines and cosmopolitan aspirations Art Deco carried surprises juxtaposing designs growing out of speed racecars and airplanes with ancient Egyptian and Mexican details visual references to Russian ballet and allusions to Asian art While most often associated with such masterworks as New York s Chrysler Building Art Deco is evident in the architecture of many U S cities including Washington and Baltimore By updating the findings of two regional studies from the 1980s with new research Richard Striner and Melissa Blair explore the most significant Art Deco buildings still standing and mourn those that have been lost This comparative study illuminates contrasts between the white collar New Deal capital and the blue collar industrial port city while noting such striking commonalities as the regional patterns of Baltimore s John Jacob Zinc who designed Art Deco cinemas in both cities Uneven preservation efforts have allowed significant losses but surviving examples of Art Deco architecture include the Bank of America building in Baltimore now

better known as 10 Light Street and the Uptown Theater on Connecticut Avenue NW in Washington Although possibly less glamorous or flamboyant than exemplars in New York or Miami the authors find these structures along with apartment houses and government buildings typical of the Deco architecture found throughout the United States and well worth preserving Demonstrating how an international design movement found its way into ordinary places this study will appeal to architectural historians as well as regional residents interested in developing a greater appreciation of Art Deco architecture in the mid Atlantic region
