Baltimore Or The Steadfast Tin Soldier And The Vampire:

Baltimore, Mike Mignola, Christopher Golden, 2008-12-10 From celebrated comic artist Mike Mignola and award winning novelist Christopher Golden comes a work of gothic storytelling like no other Reminiscent of the illustrated tales of old here is a lyrical atmospheric novel of the paranormal and a chilling allegory for the nature of war Why do dead men rise up to torment the living Captain Henry Baltimore asks the malevolent winged creature The vampire shakes its head It was you called us All of you with your war The roar of your cannons shook us from our quiet graves You killers You berserkers You will never be rid of us now When Lord Henry Baltimore awakens the wrath of a vampire on the hellish battlefields of World War I the world is forever changed For a virulent plague has been unleashed a plague that even death cannot end Now the lone soldier in an eternal struggle against darkness Baltimore summons three old friends to a lonely inn men whose travels and fantastical experiences incline them to fully believe in the evil that is devouring the soul of mankind As the men await their old friend they share their tales of terror and misadventure and contemplate what part they will play in Baltimore s timeless battle Before the night is through they will learn what is required to banish the plague and the creature who named Baltimore his nemesis once and for all **Baltimore, Or the Steadfast Tin Soldier and the Vampire** Mike

Bukatman,2016-04-07 Hellboy Mike Mignola s famed comic book demon hunter wanders through a haunting and horrific world steeped in the history of weird fictions and wide ranging folklores Hellboy s World shows how our engagement with Hellboy s world is a highly aestheticized encounter with comics and their materiality Scott Bukatman s dynamic study explores how comics produce a heightened adventure of reading in which syntheses of image and word image sequences and serial narratives create compelling worlds for the reader s imagination to inhabit Drawing upon other media including children s books sculpture pulp fiction cinema graphic design painting and illuminated manuscripts Bukatman reveals the mechanics of creating a world on the page He also demonstrates the pleasurable and multiple complexities of the reader s experience invoking the riotous colors of comics that elude rationality and control and delving into shared fictional universes and occult detection the horror genre and the evocation of the sublime and the place of abstraction in Mignola s art Monsters populate the world of Hellboy comics but Bukatman argues that comics are themselves little monsters unruly sites of sensory and cognitive pleasures that exist happily on the margins The book is not only a treat for Hellboy fans but it will entice anyone interested in the medium of comics and the art of reading **The Readers' Advisory Guide to Genre Fiction**
