Banned Questions About Jesus:

Banned Questions About Christians Piatt, Christian, 2014-01-15 This latest book in the insightful and entertaining Banned Questions series addresses fifty questions about Christians that many of us have wondered regarding Hell sprinkle vs dunk baptism gay and lesbian issues in ministry the inconsistencies of communion the multitude of denominations God's allowance of suffering in the world and more This is a great addition to your library as you or your study group ponder the questions many have wanted to ask and few were brave enough to answer [Banned Questions About Jesus](#) Christian D Piatt, 2011-06-30 Did Jesus ever have sex Was Jesus ever wrong Do people have to choose to follow Jesus to go to heaven Ever get the feeling that you can't ask those kinds of questions at church But if we can't ask the tough keep you awake at night questions within our faith communities then what good are those communities Listen in as more than a dozen contributors whose ranks include a lawyer a recovering achiever lapsed vegetarian ministers ordained and not ordained and more discuss the questions your Sunday school teachers were afraid to answer Also look for Banned Questions about the Bible available at www.chalicepress.com and e-mail your own banned questions to cpiatt@christianpiatt.com for future books Banned Questions series editor Christian Piatt is a managing editor for PULP an independent alt monthly publication for southern Colorado a musician spoken word artist and cofounder of Milagro Christian Church in Pueblo Colorado cocreator and coeditor of the WTF Where's the Faith book series contributor to theooze.com and Red Letter Christians blog and author of the upcoming *Pregnancy A Dad a Little Dude and a Due Date* **Banned Questions About the Bible** Christian D Piatt, 2011-03-31 From Christian Piatt When I was a teenager my youth minister threw a bible at my head for asking questions Too often for various reasons people don't have the opportunity to ask the hard questions they have about faith religion salvation and the bible And when questions are left unanswered in communities of faith people either seek answers elsewhere or lose interest all together The purpose of the series is to collect the most compelling and challenging questions from various theological areas and pose them to a panel of experts who are challenged with responding in two hundred words or less in plain English This volume addresses challenging or controversial questions about scripture collected from people on Facebook MySpace Twitter and other social networking media Respondents include theology professors clergy lay leaders liberals conservatives and voices representing a spectrum of views The idea behind the books is not so much to provide definitive answers as it is to stimulate thought reflection and discussion By offering multiple perspectives readers have the opportunity to arrive at their own questions Better they come to understand that questioning faith is not taboo but rather that it can be at the foundation of a strong and growing faith The directive given to each respondent guided them to be concise and to speak in plain language but also not to rely exclusively on the Bible says its justifications or to wax abstract or overly intellectual Instead they write from personal experience as much as possible and provide real life contexts that will allow the average seeker or churchgoer to apply such ideas to their daily lives [Banned Questions About Christians](#) Christian D Piatt, 2014-01-15 This

latest book in the insightful and entertaining Banned Questions series addresses fifty questions about Christians that many of us have wondered regarding Hell sprinkle vs dunk baptism gay and lesbian issues in ministry the inconsistencies of communion the multitude of denominations God's allowance of suffering in the world and more This is a great addition to your library as you or your study group ponder the questions many have wanted to ask and few were brave enough to answer

A Thematic Access-Oriented Bibliography of Jesus's Resurrection Michael J. Alter, 2019-12-31 The keystone of Christianity is Jesus's physical bodily resurrection Present day scholars can be significantly challenged as they forage through voluminous documents on the resurrection of Jesus The literature measures well over seven thousand sources in English language books alone This makes finding specific sources that are most relevant for specific scholarly purposes an arduous task Even when a specific book is relevant finding the parts of the book that are most relevant to the resurrection rather than other topics often requires additional effort A Thematic Access Oriented Bibliography of Jesus's Resurrection addresses these challenges in several ways First the bibliography organizes more than seven thousand English sources into twelve main categories and then thirty four subcategories which are designed to help you find the most relevant literature quickly and efficiently Embedded are pro and con arguments which support efficient access through brief annotations and then annotate the diversity and complexity of the field of religion by including sources that represent a diverse range of views theistic e g Christian Jewish Muslim etc agnostic and nontheistic The objective of this bibliography is to provide convenient access to relevant sources from a variety of perspectives allowing you to browse or find the one source accurately and with ease

Bullied in the Bible Belt Gene Skipworth, 2019-10-21 Rev Skipworth's courage candor and compassion jump from the pages of this compilation of his weekly newspaper columns Letters to the Editor rebuttals from area ministers and responses from readers written in the heart of Tennessee's Bible Belt This book is a give and take between a progressive follower of Jesus and his often irate readers respondents most of whom are biblical literalists and evangelical white Christians With Skip what you see or read is what you get He not only tackles the hard issues while wearing vulnerably but also brilliantly translates and integrates his columns with the informed biblical and theological understanding of many of the most learned minds within progressive Christianity While making their work understandable for his readers friends and foes alike he painstakingly applies their insights to the divisive theological and political issues liberal clergy and laity have tragically failed to address honestly with each other Skip deserves our gratitude for this informed and courageous gift and the whole church owes him our thoughtful and willing dialogue Taken from the Foreword by Bishop Joseph Sprague 40

Questions about Christians and Biblical Law Thomas R. Schreiner, 2010-10-08 This volume by Dr Thomas R Schreiner on the interplay between Christianity and biblical law is an excellent addition to the 40 Questions Answers series Schreiner not only coherently answers the tough questions that flow from a discussion about the Old Testament Levitical Law but also writes clearly and engagingly for the student The pastor student and layperson can easily understand Schreiner's biblical theology

of the Law The Hyphenateds Phil Snider, 2011-12-12 Though the emergent church was once viewed as a fringe movement with little to offer established congregations it is now seen as one of the central driving forces shaping the future of postmodern Christianity in North America As an increasing number of mainline communities wonder how the emergent church influences their own structures and practices this book brings together the perspectives of several of the most prominent Hyphenated Christians i e those with one foot in the emergent conversation and the other foot in the mainline church Presbyterians Anglicans Lutherans Methodists etc With a passion for both mainline traditions and the emergent conversation Hyphenateds offer a vibrant and contagious vision of the ways in which the church might undergo the transformation necessary to faithfully embody the love of Christ in the midst of an ever changing postmodern world The contributors of this book offer wisdom from a variety of contexts and The Hyphenateds reflects the changing dynamics currently taking place in the emergent conversation **Questions for Growing Christians** Alvin Cordes, 2005-11

Reinventing Jesus J. Ed Komoszewski, M. James Sawyer, Daniel B. Wallace, Reinventing Jesus cuts through the rhetoric of extreme doubt to reveal the profound credibility of historic Christianity Meticulously researched yet eminently readable this book invites a wide audience to take a firsthand look at the primary evidence for Christianity's origins **The Jesus I Never Knew** Philip Yancey, 2008-09-09 How does the Jesus of the New Testament compare to the Jesus we think we know so well Join bestselling author Philip Yancey as he conducts an enlightening biblical and historical investigation into the real Jesus From the manger in Bethlehem to the cross in Jerusalem Philip Yancey presents a complex character who generates questions as well as answers a disturbing and exhilarating Jesus who wants to radically transform your life and stretch your faith In The Jesus I Never Knew Yancey cuts through existing views and preconceptions of Jesus citing experts from church history modern history and popular culture Discusses how different people and cultures view Jesus Dissects popular quotes about Jesus Points us back to the Bible The Jesus I Never Knew will engage your heart mind emotions and senses preparing you for a new life changing encounter with the real Jesus described in the Gospels Praise for The Jesus I Never Knew This is the best book about Jesus I have ever read probably the best book about Jesus in the whole century Yancey gently took away my blinders and blazed the trail through my own doubting fears pious know it all and critical balderdash until I saw the Savior anew and thought I heard him ask me Now whom do you say that I am and I understood the question as I never had before Lewis B Smedes Senior Professor Fuller Seminary Philip Yancey takes the reader with him on his very personal journey to Jesus In The Jesus I Never Knew I became convinced that the Jesus I met in some ways for the first time has known me all along This book is destined to become a favorite to recommend to those still seeking Jesus and to pass along to those who've met him but long to know him more Elisa Morgan President Emerita MOPS International *postChristian* Christian Piatt, 2014-08-12 It's the end of Christianity as we know it But it's not a catastrophe it's an opportunity Thousands are walking away from the church Christians are grappling with their faith And both believers and nonbelievers wondering

what's coming next Fearless and provocative spiritual trailblazer Christian Piatt offers a roadmap to the future of faith with an unflinching examination of the church today What's left Pairing the best virtues and worst scandals of Christianity Piatt invites us to abandon institutional religion for deeper truer faith Can we fix it Guided by the biggest historical religious and pop cultural pioneers of the post-Christian era he demonstrates how to save the best of what Christianity has to offer and how to rediscover and reinvent the rest Do we care There's plenty of good left in Christianity if we dare to be as scandalously graceful and loving as Jesus Himself Bold and insightful Postchristian dares Christians to break out of the box and invites outsiders into the fold as we revolutionize faith for a postmodern world **Arthur's Seat; Or, The Church of the Banned**

John Hamilton (of St. Ernans.),1869 *Moral Questions of the Bible* David Instone-Brewer,2019-09-25 Are all the moral commands of the Bible meant to be obeyed exactly for all time or are there some that need to be adapted for our modern world Scripture contains lots of guidance on ethical issues including statements about polygamy slavery divorce sex and other things that sound strange to our modern ears Even Christians who believe the Bible is God's word disagree on whether women should wear head coverings whether Christians can ever lie whether women should preach and whether Christians should drink alcohol How can we resolve these issues and figure out how to apply the Bible to our lives David Instone Brewer helps answer this question by showing how the Bible's moral commands were understood in their ancient cultural context The more we understand what God and the biblical authors intended to communicate to the original audience the better we will be able to make sense of how to apply those commands today In brief chapters that address a wide variety of moral issues Instone Brewer equips Bible readers with a paradigm they can use to discern matters for themselves Is a biblical command timeless or time bound If the command itself is time bound what is the timeless purpose behind it And how do we remain faithful to the Bible's commands today even when handling subjects the Bible does not address The Scripture in Context series is driven by the conviction that there is nothing as exciting direct provocative and spiritually enlightening as the Bible when we read it as it was meant to be read Each book in the series dives into the ancient cultural context behind Bible passages examining the effect this context had on what the Bible writers were saying and how we should understand their words today When we read the Bible in light of its context it is anything but boring Instead God's word can speak to us as powerfully as it did to those who first read it Chapters are short and informal so it's easy to read one chapter at a time or the whole book straight through *Banned Movies* Ethan Parker,2025-03-02 Have you ever wondered what makes a film so dangerous that governments religious institutions or even public opinion have sought to suppress it Banned Movies delves into the fascinating and often unsettling world of cinematic censorship exploring the films that have been deemed too controversial for public consumption This book examines not just the history of these films but also the cultural social and political climates that led to their suppression This book focuses on several key themes First it examines the evolution of censorship over time from early 20th century moral codes to contemporary concerns about political correctness and harmful

content Second it analyzes the different grounds upon which films have been banned including obscenity blasphemy sedition and incitement to violence Finally it investigates the impact of censorship on filmmakers audiences and the broader artistic landscape Understanding these elements offers crucial insights into the power of cinema and its potential to challenge societal norms The historical context is essential Throughout history films have been viewed as powerful tools for shaping public opinion and as such have been subjected to scrutiny and control Banned Movies explores landmark censorship cases landmark legal battles and the shifting attitudes towards freedom of speech and artistic expression No prior knowledge is needed to understand the concepts presented The central argument of Banned Movies is that the history of film censorship is in essence a reflection of societal anxieties and power struggles The films that are targeted for suppression often represent a challenge to the status quo forcing audiences to confront uncomfortable truths or consider alternative perspectives By examining these films and the reactions they provoked we can gain a deeper understanding of the values and beliefs that underpin our societies The book is structured in three parts a historical overview of film censorship globally in depth case studies of particularly controversial films and an analysis of the ongoing debates surrounding censorship in the digital age The initial chapters lay the groundwork by defining censorship and exploring its various forms The subsequent sections delve into specific films examining the reasons for their banning the public reaction and their lasting impact on the cultural landscape The final chapters address the challenges posed by online streaming and distribution where traditional censorship mechanisms are increasingly difficult to enforce and the line between free speech and harmful content becomes blurred The analysis is supported by a wide range of evidence including court documents censorship board records film reviews and interviews with filmmakers and critics Unique primary source materials such as internal memos from studios and government archives bring a fresh perspective to well known censorship cases Banned Movies connects to several other fields including media studies political science and sociology By examining the intersection of film law and public opinion the book offers a multidisciplinary perspective on the complex relationship between art and society It also intersects directly with history by showing a factual record of the timeline of events Furthermore the ethical considerations surrounding censorship connects to the field of philosophy The book adopts a balanced and objective approach presenting different viewpoints on censorship issues and encouraging readers to draw their own conclusions The writing style is accessible and engaging avoiding jargon and technical terms while maintaining scholarly rigor Banned Movies is intended for film enthusiasts students of media studies and anyone interested in the history of free speech and artistic expression The book is also relevant to legal professionals and policymakers who grapple with the challenges of regulating content in the digital age As a work of non fiction this book adheres to the genre's emphasis on accuracy objectivity and evidence based analysis It presents factual information in a clear and unbiased manner drawing on credible sources to support its arguments The book deliberately focuses on films that have faced significant censorship challenges ranging from outright bans to heavy edits and restrictions

While it acknowledges the existence of self censorship and other forms of indirect pressure its primary focus is on cases where external forces have actively sought to suppress or control the distribution and exhibition of films The information offered has practical implications for filmmakers artists and media professionals who must navigate the complex landscape of censorship and freedom of expression By understanding the historical precedents and legal frameworks surrounding censorship they can better protect their creative freedom and advocate for greater tolerance and openness The book addresses the ongoing debates surrounding censorship including the tension between protecting vulnerable groups from harmful content and upholding freedom of expression It also explores the ethical dilemmas posed by new technologies such as artificial intelligence which are increasingly being used to monitor and filter online content

101 Questions and Answers on Women in the New Testament Judith Schubert,2014 Judith Schubert responds to questions asked by students on the role of women in the New Testament and apostolic Church and the impact this has had on women s role today

The Radical Teaching of Jesus Duncan S. Ferguson,2016-01-18 The Radical Teaching of Jesus carefully and thoughtfully invites the reader into an understanding of the life and teachings of Jesus Both his life and teachings are radical in that Jesus intended those who observed his life and heard his teachings to make a major change in their lives by fully receiving the power and presence of God The implications of this transformation would result in a life of loving God with heart and mind and one s neighbor without condition This volume underlines that to have a full understanding of the implications of the radical teaching of Jesus requires a careful reading of the history of the Gospel records of the circumstances in which Jesus lived and of Jesus sense of vocation This understanding makes possible a more credible and nuanced grasp of the style and content of the life and teaching of Jesus and its extraordinary relevance for our rapidly changing and troubled global context The book speaks poignantly both to those within the Christian family who find traditional categories regarding Jesus increasingly difficult to affirm and to those of other faith traditions or religious unaffiliated who seek an authentic spiritual way

Complementarity Gregg Allison,2025-05-15 In Complementarity theologian Gregg Allison presents a fresh vision for understanding God s design for men and women as image bearers in the home the church and society As a framework broader than either complementarianism and egalitarianism and underlying both of them complementarity affirms the equal dignity significant difference and flourishing interdependence of men and women Allison grounds his exploration of complementarity in the complex history of the relationship between women and men throughout church history as well as the contemporary contexts of feminism complementarianism patriarchalism and egalitarianism He examines relevant passages from the Old and New Testaments before offering theological considerations of gender and how all Christians fulfill the offices of prophet priest and king Allison concludes by explaining how a robust understanding of complementarity fosters mutual flourishing for male and female image bearers Allison offers a path forward for Christians who want to foster mutual support for male and female image bearers within their churches and communities

The Christianity Reader Mary

Gerhart, Fabian Udoh, 2007-09 Christianity is the world's most populous religion with some two billion adherents. As a world religion, Christianity has flourished because it is capable of taking on new forms in new contexts. To understand both the religion's history and its present state, Mary Gerhart and Fabian Udoh gather original texts from early Christian writings to contemporary documents on church-related issues in *The Christianity Reader*. The most comprehensive anthology of Christian texts ever in English, this is a landmark sourcebook for the study of Christianity's historical diversity. With newly edited, annotated, and translated primary texts along with supplemental analytical essays, the volume allows Christianity at long last to speak in its many voices. Focusing on Christianity as a religion, Gerhart and Udoh select texts that illuminate issues such as theology, mysticism, and ritual while also articulating the stories of previously marginalized groups as well as those in new and growing epicenters of the religion. With nearly three hundred selections, the texts encompass the entire history of Christian writings, excluding the New Testament, from Justin Martyr and Tertullian to Fabien Eboussi Boulaga and Teresa of Calcutta. Eight thematic sections cover biblical traditions and interpretations, early influences, nascent forms, patterns of worship, structures of community, philosophy, theology, and mysticism, twentieth-century issues and challenges, and the contemporary relationship between Christianity and other world religions. The Reader's contents are arranged chronologically and are supported with introductions and source notes that explain the rationale for their inclusion and their context. Providing a far richer selection than ever before available in a single volume, *The Christianity Reader* will be welcomed as both a classroom resource and a work of reference for decades to come.

The Image of Christ in Russian Literature John Givens, 2018-05-29 Vladimir Nabokov complained about the number of Dostoevsky's characters sinning their way to Jesus. In truth, Christ is an elusive figure not only in Dostoevsky's novels but in Russian literature as a whole. The rise of the historical-critical method of biblical criticism in the nineteenth century and the growth of secularism, it stimulated, made an earnest affirmation of Jesus in literature highly problematic. If they affirmed Jesus too directly, writers paradoxically risked diminishing him either by deploying faith explanations that no longer persuade in an age of skepticism or by reducing Christ to a mere argument in an ideological dispute. The writers at the heart of this study understood that to reimagine Christ for their age they had to make him known through indirect, even negative, ways lest what they say about him be mistaken for cliché doctrine or naïve apologetics. The Christology of Dostoevsky, Leo Tolstoy, Mikhail Bulgakov, and Boris Pasternak is thus apophatic because they deploy negative formulations saying what God is not in their writings about Jesus. Professions of atheism in Dostoevsky and Tolstoy's non-divine Jesus are but separate negative paths toward truer discernment of Christ. This first study in English of the image of Christ in Russian literature highlights the importance of apophaticism as a theological practice and a literary method in understanding the Russian Christ. It also emphasizes the importance of skepticism in Russian literary attitudes toward Jesus on the part of writers whose private crucibles of doubt produced some of the most provocative and enduring images of Christ in world literature. This important study will appeal to scholars and students of

Orthodox Christianity and Russian literature as well as educated general readers interested in religion and nineteenth century Russian novels

This is likewise one of the factors by obtaining the soft documents of this **Banned Questions About Jesus** by online. You might not require more times to spend to go to the book introduction as without difficulty as search for them.
