## **Baptism In The New Testament Paternoster Digital Library:**

On Being the Church Brian Haymes, Ruth Gouldbourne, Anthony R. Cross, 2009-04-01 This book re-examines Baptist theology and practice in the light of contemporary biblical theological, ecumenical and missiological perspectives. It is not a study in denominationalism but rather attempts to revision historical insights from the believers church tradition seeking to re appropriate forgotten emphasis bringing them together in a revised ecclesiology

**The Secularization of Baptism** Mark G. McKim, 2025-01-31 Does God actually do anything in baptism? Is it more than just a symbol? Most early Baptists would have answered yes. Most Baptists today would answer no. How and why did this change happen and does it matter? Providing thorough documentation of the changing understandings of baptism among American, Canadian and English Baptists from the 1600s to the present day, *The Secularization of Baptism* demonstrates that four factors led to the symbolic only position becoming dominant. These were: suspicion in reaction to Roman Catholicism of the idea of God revealing himself through the physical; the influence of the Enlightenment and embarrassment with claims that God could be acting in the world today; reaction against the Oxford Movement; and reaction against the understanding of baptism advocated by the Disciples of Christ/Campbellites. The now dominant symbolic only position so focuses attention on what the believer is doing in baptism that God is seen as largely absent from and doing nothing through the rite. In effect, believers baptism has been secularized. A carefully reasoned biblical and theological argument is made for a return to the Regular Particular Baptist view that God is both profoundly spiritually present and active in baptism while at the same time rejecting the sacramentalist position advocated by a small number of mid twentieth and twenty first century Baptists such as H. Wheeler Robinson, George Beasley Murray, Stanley K. Fowler and Anthony R. Cross.

*Recovering the Evangelical Sacrament* Anthony R. Cross, 2012-12-06 The subject of baptism continues to be of considerable interest though it frequently appears within broader studies of sacraments, liturgy, worship and ecumenical studies and within confessional bounds, credobaptist or paedobaptist yet it is rarely discussed by Evangelicals. This book however is neither an apologetic for credobaptism nor paedobaptism rather Cross believes that as practiced today both forms are a departure from New Testament baptism which he maintains was an integral part of becoming a Christian and part of the proclaimed gospel. He argues that the one baptism of Ephesians 4:5 is conversion baptism and that the baptism referred to in the various New Testament strata refers to this one baptism of Spirit and water. The study sets out the case for this interpretation and contends that in key passages baptism is an example of synecdoche. The case is then made for a sacramental interpretation of baptism from a thoroughgoing Evangelical perspective. Cross concludes with reflections on the necessity of baptismal reform and the relevance of a return to conversion baptism for the contemporary church in a post-Christian/post-Christendom mission setting.

**Luke-Acts and Jewish Historiography** Samson Uytanlet, 2014-05-14 In this book Samson Uytanlet states his observation that there is an unnecessary disjunction between Luke's theology and literature in

previous studies on Luke Acts Luke's theology is typically studied in light of Jewish writings while Luke's literature is studied in relation with Greco Roman works The author shows that there are theological literary and ideological elements that ancient Greco Roman and Jewish writings share which are also present in Luke's work In areas where they diverge however Luke Acts shows closer affinity to Jewish writings **'Seditious Sectaries': Sources** Larry Joseph Kreitzer,2006

Towards Baptist Catholicity Steven Ray Harmon,2006 Towards Baptist Catholicity contends that the reconstruction of the Baptist vision requires a retrieval of the ancient ecumenical traditions Themes explored include catholic identity tradition as a theological category the relationship between Baptist confessions of faith and the patristic tradition the importance of Trinitarian catholicity catholicity in biblical interpretation Karl Barth as a paradigm for evangelical retrieval of the patristic theological tradition worship as a principal bearer of tradition and the role of Baptist higher education in shaping the Christian vision **Recycling the Past Or Researching History?** Philip E. Thompson,Anthony R. Cross,2005 Recycling the Past or Researching History brings together an international group of Baptist scholars who explore various issues in Baptist historiography and myths Contributors examine and re examine areas of Baptist life and thought about which either little is known or the received wisdom is in need of revision Historiographical studies include the date Oxford Baptists joined the Abingdon Association the death of the Fifth Monarchist John Pendarves eighteenth century Calvinistic Baptists and the political realm confessional identity and denominational institutions Baptist community ecclesiology the priesthood of all believers soteriology Baptist spirituality Strict and Reformed Baptists the role of women among British Baptists while various myths challenged include the nature of high Calvinism in eighteenth century England baptismal anti sacramentalism episcopacy and Baptists and change The common theme tying these studies together is that research into Baptist history should deal with the primary sources and not as has too often been the case rely uncritically on the scholarship of previous generations **A Bombshell in the Baptistery** Justin Nalls,2019-03-14 Who should be baptized Should a person who has not been baptized be allowed to become a member of a church What happens when a person is baptized There are a number of important questions about baptism that call for biblical and theological reflection on a more fundamental question what is baptism Perhaps no one in the twentieth century addressed that question more thoroughly than British New Testament scholar George Beasley Murray While touching on a range of issues related to baptism this book explores the influence that Beasley Murray's work has had on the debate about the meaning of baptism and shows why his work was referred to as a bombshell in the baptistery **Baptism** Jim Petty,Miles Cotham,2022-11-11 In this study Jim Petty and Miles Cotham have made a thorough analysis of the biblical passages concerning the purpose of baptism particularly as it relates to holiness and forgiveness The authors have looked beyond the traditional church dogmas to discover and restore the beauty and significance of the baptismal event As the doctrine of baptism is wound and entwined through other doctrines taught in the New Testament a tapestry of salvation emerges in which each doctrine is dependent on and complimentary to the others

Following a careful examination of the meaning of holiness the authors have demonstrated its close affinity to baptism as seen in the practice of baptism by John the Baptist and Jesus in the preaching of the early church and in the writings of the New Testament letters In the appendix the study concludes with a selected list of quotations throughout the history of the church that includes various interpretations of the purpose of baptism

**Waters of Promise** Brandon C. Jones, 2012-09-05 Many Christians who practice believer baptism struggle to answer basic questions about it such as What does it mean to be baptized How does baptism relate to faith What does God do through baptism In *Waters of Promise* Brandon Jones seeks to answer these questions by drawing from Scripture theology history and church practice The resulting recovery of the link between covenant theology and believer baptism may change not only how you think about baptism but also how your church practices it

these things Jonathan D Watson's *In the Name of Our Lord* provides an explanatory typology and incisive analysis for thinking through these interrelated questions. Watson's four model framework accounts for the major historical varieties of relationship between baptism and catechesis as initiation into the church. With this framework in place, Watson then considers each model in relation to one another. Readers will have a sophisticated but clear system for thinking through foundational matters that are important to every pastor and congregant.

*The Ethnic-Religious Identity of the Ethiopian in Acts 8:26-40* Jongmun Jung, 2024-05-30. This work examines the background of the Ethiopian eunuch in Acts 8:26-40. For a comprehensive study, it utilizes echoic allusion, cultural background, and narrative criticism. It explores the textual tradition of Deut 23:1-8 in Jewish literature with a particular focus on Isaiah's inclusive presentation of eunuchs and foreigners in contrast to the Deuteronomy stipulation for the assembly of the Lord. This work also explores the ancient practice of castration, the Jewish exiles in Elephantine, and Jewish pilgrimage to reconstruct the cultural background of the Ethiopian eunuch. Additionally, it focuses on Luke's authorial role in presenting the gospel's geographic, ethnic, and religious expansion to identify the Ethiopian's ethnic and religious identity in the narrative development of the three trajectories. The conclusion drawn is that the Ethiopian eunuch cannot be identified as an uncircumcised gentile. Instead, he is more like an African man of Jewish descent included in the Abrahamic covenant but excluded from the cultic setting of worship in the temple.

*Routledge Handbook of Jewish Ritual and Practice* Oliver Leaman, 2022-07-08. Ritual and practice are some of the most defining features of religion, linked with its central beliefs. Discussing the wide range of Jewish ritual and practice, this volume provides a contemporary guide to this significant aspect of religious life and experience. Drawing on a wide range of disciplines, this volume describes not only what takes place but the reasons behind this and the implications. Both the theory and practice have for our understanding of Judaism. Organized in terms of texts, periods, practices, languages, and relationships with the other, the book includes accounts of prayer, food, history, synagogues, and the various legal and ideological debates that exist within Judaism, with the focus on how they influence practice. Coming at a time of renewed interest in the role of the body in religion, this book aims to bring the theoretical and scriptural issues which arise in this area of Jewish life and culture up to date. This volume is aimed at students and researchers working in Jewish studies, specifically, and religious studies in general. Designed to be helpful to those on courses in relevant areas, especially in the United States, this book includes substantial bibliographical material.

*Missional Discipleship After Christendom* Andrew R. Hardy, Dan Yarnell, 2018-03-14. It is not a changing culture, reduced resources, or a rescinding Christian memory that creates the greatest challenges for the church in the West. It is the lack of a clear commitment to the intentional, authentic, and contextual expressions of missional discipleship, which will shape current and future generations of followers of Jesus to express the values of the Kingdom today. This book offers stimulating historical, biblical, and theological reflections on discipleship and

considers some of the possibilities and opportunities afforded to us by our post Christian context Missional discipleship allows the missio Dei to shape us in our engagement our practices and sustain us in the lifelong journey of becoming and developing disciples that follow Jesus today *The Influence of Early Keswick Theology of Sanctification in the Socio-ethical Life of the East African Revival Movement* Robinson Kariuki Mwangi, 2025-03-31 Sanctification is an essential part of every Christian life But how do its differing theologies shape our Christian walk and wider socio ethic contexts Grounded in the East Africa Revival Movement EARM this work seeks to answer how the Keswick theology of sanctification contributes to the socio ethical understanding of walking in the light and consequently influences the mission of the Anglican Church in the Mount Kenya region Dr Robinson Kariuki Mwangi uses careful exegetical analysis to understand the biblical roots of revival and calls us to action in showing what our faith stands for integrating practical theology with pastoral practice Scholars of theology and lived Christianity will find the observations in this work informative for further study
