

PLEDGE

"I pledge by the help of God
to do my best to serve my church
with pure heart, clean hands,
and a breath that will not
be offensive to those I welcome
into the house of the Lord.

I further pledge to abide
by the rules and regulations
of the Church and
the Usher Ministry; to attend
meetings and serve to the best
of my ability when called upon."

Bixby,2007-09-01 The church monster according to Bixby is the personification of a wide variety of problems which have arisen in local churches as a result of the heightened levels of conflict and anxiety with which they are dealing His goal is to help pastors as well as laity to challenge the church monster by dealing with conflict and working through issues that are causing stagnation early dismissal of pastors and other discord that detracts from the mission and vision of the church Bixby invites churches as well as shows them how to be open to the genuine and exciting possibilities that emerge from two core principles downsizing and centralizing church government and developing a radical commitment to congregational decision making This means fewer meetings more ministry and less conflict more community He also offers fresh new ways for churches to function so that mission and ministry can once again become priorities and people can begin to feel their time and energy are being used for something other than adding fuel to the fire of conflict within the congregation
