Barack Obama The Comic Biography:

Barack Obama Jeff Mariotte, 2009 Introducing the life story of Barack Obama in comic book form Readers can follow him from infancy through the first 100 days of his administration as the 44th president of the United States **Barack Obama** Joeming Dunn, 2011-08-01 Retells the life and career of President Obama in graphic novel format **The Iconic Obama, 2007-2009** Nicholas A. Yanes, Derrais Carter, 2014-01-10 How is Barack Obama represented in popular culture More than the United States 44th president he is also a lens through which we can examine politics art comics and music in various contexts The essays in this collection focus on the buildup to the 2008 election as well as Obama's first year as president a brief historical moment in which Obama was synonymous with possibility The contributors represent a variety of scholarly fields such as film journalism mass communication popular culture and African American studies each adding a unique perspective on Obama's relationship to American culture *A Comic History of the United States* Livingston Hopkins, 2022-09-05 Livingston Hopkins *A Comic History of the United States* presents a whimsical journey through the formative events of America's past rendered with a wry wit that belies a nuanced understanding of the nation's history The literary style is marked by Hopkins incisive humor and adept storytelling providing a fresh lens through which to view historical episodes that have been otherwise somberly recorded As a part of DigiCat Publishing's mission to safeguard and propagate the legacies of human thought this edition situates itself within both the literary annals of classic American satire and the ongoing endeavor to present enduring works in contemporary formats This reissued gem captivates with its tongue in cheek analyses reflecting the rich tradition of American satirical writing from which it draws inspiration Livingston Hopkins an astute observer of social mores and an accomplished wordsmith channeled his considerable talent into crafting this satirical masterpiece The motivations behind Hopkins' decision to skewer the storied past of his homeland with humor may be rooted in a desire to democratize historical knowledge and to challenge the grand narratives constructed by traditional historiography His legacy now meticulously preserved and reintroduced by DigiCat Publishing offers insights into the cultural zeitgeist that influenced Hopkins' original work providing a bridge between past literary landscapes and modern readership Recommended for aficionados of history with a penchant for humor *A Comic History of the United States* will entertain as much as it will enlighten Students of American literature will find in Hopkins' work an exemplar of the satirical genre while casual readers will delight in the playful subversion of historical tropes In an age where nuance is often lost amidst the din of hastened content consumption Hopkins' comedic take stands as a testament to the enduring power of wit as a vessel for truth ensuring that the lessons of history are conveyed with both levity and critical acumen **Barack Obama: 44th U.S. President** Joeming Dunn, 2011-09-01 Graphic Planet is bringing the Presidents of the United States to BioGraphics World class art presents young readers a pictorial chronology of Barack Obama's life background on his campaign to be president major influences on the country and his influence on history A timeline Fast Facts the president's

cabinet and a glossary provide report information for young readers Bring the Oval Office to your classroom **Comic History of the United States** Bill Nye, 2022-09-15 DigiCat Publishing presents to you this special edition of Comic History of the United States by Bill Nye DigiCat Publishing considers every written word to be a legacy of humankind Every DigiCat book has been carefully reproduced for republishing in a new modern format The books are available in print as well as ebooks DigiCat hopes you will treat this work with the acknowledgment and passion it deserves as a classic of world literature **Politics in the Gutters** Christina M. Knopf, 2021-06-28 From the moment Captain America punched Hitler in the jaw comic books have always been political and whether it is Marvel's chairman Ike Perlmutter making a campaign contribution to Donald Trump in 2016 or Marvel's character Howard the Duck running for president during America's bicentennial in 1976 the politics of comics have overlapped with the politics of campaigns and governance Pop culture opens avenues for people to declare their participation in a collective project and helps them to shape their understandings of civic responsibility leadership communal history and present concerns Politics in the Gutters American Politicians and Elections in Comic Book Media opens with an examination of campaign comic books used by the likes of Herbert Hoover and Harry S Truman follows the rise of political counterculture comic of the 1960s and continues on to the graphic novel version of the 9 11 Report and the cottage industry of Sarah Palin comics It ends with a consideration of comparisons to Donald Trump as a supervillain and a look at comics connections to the pandemic and protests that marked the 2020 election year More than just escapist entertainment comics offer a popular yet complicated vision of the American political tableau Politics in the Gutters considers the political myths moments and mimeses in comic books from nonfiction to science fiction superhero to supernatural serious to satirical golden age to present day to consider how they represent re present underpin and or undermine ideas and ideals about American electoral politics **American Autobiography** Rachael McLennan, 2012-11-26 The first student guide to American Autobiography **Beyond the Boundaries** Georgia A. Persons, 2017-09-29 In the past African American aspirations for political office were assumed to be limited to areas with sizeable black population bases By and large black candidates have rarely been successful in statewide or national elections This has been attributed to several factors limited resources available to African American candidates or identification with a black liberationist ideological thrust Other factors have been a relatively small and spatially concentrated primary support base of black voters and the persistent resistance of many white voters to support black candidates For these reasons the possibility of black candidates winning elections to national office was presumably just a dream Conventional wisdom conceded a virtual cap on both the possible number of black elected officials and the level of elective office to which they could ascend But objective political analysis has not always made sufficient allowances for the more universal phenomenon of individual political ambitions The contributors to this volume explore the ways ambitious individuals identified and seized upon strategies that are expanding the boundaries of African American electoral politics This volume is anchored by a symposium that focuses on new

possibilities in African American politics Both the electoral contests of 2006 and the Barack Obama presidential campaign represent an emergent dynamic in American electoral politics Analysts are beginning to agree that the contours of social change now make the electoral successes of black candidates who are perceived as ideologically and culturally mainstream increasingly likely The debate captured in this volume will likely inspire further scholarly inquiry into the changing nature and dimensions of the larger dynamic of race in American politics and the subsequent changing political fortunes of African American candidates

Graphic Memories of the Civil Rights Movement Jorge Santos, 2019-06-25 A study of five graphic novels or memoirs that have reshaped the narrative of civil rights in America and an examination of the format's power to allow readers to participate in the memory making process

Black History Leaders Chris Ward, In honor of Black History Month comic book publisher StormFront Productions offers a special trade paperback featuring biographies of leading African American personalities The 96 page anthology includes the unabridged issues featuring Barack Obama Colin Powell Oprah Winfrey and Condoleezza Rice These biographies were previously published as individual issues of StormFront's biographical comic titles Female Force and Political Power

The Other Kind of Funnies Han Yu, 2016-12-14 The Other Kind of Funnies refutes the mainstream American cultural assumption that comics have little to do with technical communication that the former are entertaining in a low brow sense and juvenile whereas the latter is practical and serious to the point of stuffiness The first of its kind this book demonstrates the exciting possibilities of using comics in technical communication It defines comics as a medium and art form that includes cartoons comic strips comic books and graphic novels provides conceptual and historical backgrounds on comics and discusses the appeals and challenges of using comics style technical communication More specifically it examines comics style instructions educational materials health risk communication and political propaganda communication The author argues that comics style technical communication encourages reader participation produces covert persuasion facilitates intercultural communication benefits underprivileged audiences such as children and readers of lower literacy and challenges the positivist view of technical communication An abundance of comics style technical communication examples carefully selected from across cultures and times demonstrates the argument While the book proposes that comics can create user friendly visually oriented engaging and socially responsible technical communication it is also quick to acknowledge the limitations and challenges of comics style technical communication and provides heuristics on how to cope with them The Other Kind of Funnies is unique in its interdisciplinary approach It focuses on technical communication but speaks to design cultural and intercultural studies historical studies and to some extent education politics and art

Comic Art Propaganda Fredrik Strömberg, 2010 As one of the most simple effective and powerful forms of communication it comes as no surprise that comic art has been misappropriated by governments self interest groups do gooders and sinister organisations to spread their messages World War Two comic book propaganda with Superman Batman and Captain America bashing up cartoon enemies was so ubiquitous that there was

barely a US comic untainted by the war effort And theres no shortage of examples from the other side of the globe This book examines every kind of propaganda and how positive or pernicious messages have been conveyed in the pages of comic books over the last 100 years Subject areas include racism and xenophobia antidrugs comics pro drugs comics and religious comics Plus there is a look at social programming how gender roles were re enforced in comic book stereotyping and how comics broke free to produce a whole slew of gay superheroes no matter how ham fistedly written This book is a fascinating global visual history of some of the most contentious outrageous unbelievably unusual and politically charged comics ever published Written by renowned comics historian and author Fredrik Str mberg Superman: The Definitive History Insight Editions,2024-12-10 Behold the most comprehensive book about Superman ever produced From Krypton and Smallville to Metropolis and beyond explore over eighty five years of Superman s history in radio TV film animation computer games PSAs advertising merchandise and of course comics This ultimate official book features a wealth of unpublished artwork exclusive interviews unique bonus inserts and little known facts detailing the long and extraordinary history of the world s first and greatest costumed superhero Since his 1938 debut in the pages of Action Comics 1 Superman was the very first superhero and he has become an international icon and a cultural cornerstone instantly recognizable to audiences everywhere Following Kal El from his escape from the dying planet Krypton through his humble beginnings in Kansas to his work as a part time journalist and full time superhero in Metropolis this deluxe edition explores Superman across comics TV animation film video games and beyond creating a compelling portrait of one of the most recognizable characters in the history of popular fiction Covering the complete history of Superman in vivid detail this massive tome features exclusive commentary from the key creatives who have been instrumental in building Superman s iconic legacy Filled with exclusive insert items and extremely rare replicas Superman The Definitive History is the ultimate exploration of the template for all superheroes and his incredible and enduring impact on pop culture COMPREHENSIVE HISTORY Flip through over 400 pages detailing every adventure and incarnation of Superman across comics TV animation movies videogames and beyond ALL STAR CONTRIBUTORS Read essential interviews and insights from those who have shaped the Man of Steel s journey and cultural impact including filmmakers actors writers illustrators and many more CAST OF THOUSANDS Fully explores the entire Superman family including Superboy Power Girl Supergirl the Legion of Super Pets Krypto Streaky Beppo Comet and Fuzzy the Krypto Mouse Bizarro and all the Lois Lane and Jimmy Olsen comics Plus all the key villains Lex Luthor Brainiac Mr Mxyzptlk Darkseid Doomsday General Zod etc EXCLUSIVE BONUS INSERTS Filled with pull out cards posters mini books and other interactive ephemera that bring the history of Metropolis s protector to life NEVER BEFORE SEEN IMAGES Revel in exclusive unseen treasures from the 85 year history of Superman taken directly from DC s and Warner Bros archives COMPLETE YOUR COLLECTION Batman The Definitive History of the Dark Knight in Comics Film and Beyond Batman The Animated Series DC Comics Anatomy of a Metahuman and DC Comics Variant Covers The Complete Visual History also
