Summary of Barack Obama's The Audacity of Hope Everest Media,2022-06-15T22:59:00Z Please note This is a companion version not the original book Sample Book Insights 1 The Senate chamber is not the most beautiful space in the Capitol but it is imposing nonetheless The dun colored walls are set off by panels of blue damask and columns of finely veined marble Overhead the ceiling forms a creamy white oval with an American eagle etched in its center 2 I remember January 4 2005 the day I and a third of the Senate were sworn in as members of the 109th Congress The sun was bright the air unseasonably warm From Illinois Hawaii London and Kenya my family and friends crowded into the Senate visitors gallery to cheer as my new colleagues and I stood beside the marble dais and raised our right hands 3 I had experienced politics first hand in the Illinois legislature and I had come to understand how it was played I had thought that if I could reach out to the voters directly and explain the issues in a truthful manner they would see that politics could be different 4 After my victory I felt like the rookie who showed up after the game ready to play even though his mud splattered teammates tended to their wounds Democrats told me about the fallen leader Tom Daschle who had seen millions of dollars worth of negative ads rain down on him

common good without sacrificing our distinctive identities In conversations that are frank personal and deeply informed by scholarship Braxton and Pinn discuss topics that are urgent and immediate such as the ongoing violence against Black communities the rise of religiously unaffiliated communities the Black Lives Matter movement They also ponder those broader philosophical and theological questions that inform our politics and sense of what it means to be human the meaning of religion the stubborn dilemma of moral evil the power and problems of hope Braxton and Pinn invite us to join them in a master class as they strive to create a world where differences are not tolerated but instead celebrated In that kind of courageous classroom all can learn how to be better people who in turn transform the world into a better place **The**
