Barbarians At The Gate Studies In Language Attitudes:

Barbarians at the Gate Patricia Donaher, 2020-05-15 The study of language attitudes is the investigation of beliefs expressed about the nature of language and its diverse usages how these attitudes came to exist and persist and how these attitudes shape social action and policy Language attitude studies have illuminated our understanding of racial issues social and economic stratification cultural stereotypes educational issues folk linguistics and more recently popular culture This volume is an examination of four intersections in language attitudes research Authority Affiliation Authenticity and Accommodation In each section the contributors introduce new dimensions to the study of language attitudes while providing examples of the ways in which the study of language attitudes can continue to inform and shape our understanding of language diversity

Ain'thology Seth Katz, Patricia Donaher, 2015-06-18 The word ain t is used by speakers of all dialects and sociolects of English Nonetheless language critics view ain t as marking speakers as lazy or stupid and the educated assume ain t is on its deathbed used only in clichés Everyone has an opinion about ain t Even the grammar checker in Microsoft Word flags every ain t with a red underscore But why Over the past 100 years only a few articles and sections of books have reviewed the history of ain t or discussed it in dialect context

Watching in Tongues: Multilingualism on American Television in the 21st Century James G. Mitchell, 2020-09-01 This book explores ideas and issues related to second language L2 speakers and L2 use as portrayed on American television It examines many examples of television depictions of L2 speakers and L2 use collected in the first decades of the 21st century The book is divided into four three chapter sections Humor and Homicide looks at two aspects of the inclusion of L2 speakers and L2 use on television L2 use or speakers depicted to create humor in various ways especially through miscommunication or misunderstanding and L2 knowledge used to solve crimes in the detective police procedural genre The section describes the reasons behind these phenomena how they work and the messages they convey to viewers Language Learning explores how both adult and child language acquisition is represented and misrepresented on American television with analysis of realistic vs non realistic depictions Subtitles and Stereotypes explores the ways in which L2 speakers are often negatively depicted on television their portrayal based on stereotypes This work specifically investigates the role that subtitles play in leading viewers to such conclusions employing the idea of language subordination a process that devalues non standard language while validating the norms and beliefs of the dominant group Also considered are ways in which stereotypes are sometimes used to undermine negative perspectives on L2 speakers Language Attitudes and Mediation evaluates depictions of second languages used as tools of mediation in both historical and satirical terms as well as the feelings these portrayals engender in viewers In short this work asks questions that have not previously been posed about L2 use on television and it provides answers that not only shed light on issues of the representation of language learning and language use but also constitute a lens through which American society as a whole might be understood

Broadening Critical Boundaries in Children's and Young Adult

Literature and Culture Amie A. Doughty, 2018-10-30 This collection of essays explores a wealth of topics in children's and young adult YA literature and culture The contributions include an examination of the Watchbird cartoons by Munro Leaf and their attempts to teach morals and manners an ethnographic study about the role of public youth librarians and an exploration of the role popular video games can play in the secondary classroom Other topics investigated here encompass the presentation of environmentalism in Hayao Miyazaki's films psychological analyses and the role of race gender and culture in children's and YA literature

Children's and Young Adult Literature and Culture Amie A.

Doughty, 2016-08-17 This collection of essays explores a wealth of topics in children's and young adult literature and culture Contributions about picture books include analyses of variants of the folktale The Little Red Hen and bullying Race and gender are explored in essays about picture books featuring children as consumable objects about books focused on African American female athletes and about young adult dystopian fiction Gender itself is further explored in articles about Monster High Joyce Carol Oates's Beasts and The Hunger Games and Divergent Essays about fantasy literature include an exploration of environmentalism in Rick Riordan's The Heroes of Olympus a discussion of Severus Snape as a Judas figure an explication of Chapter 5 of The Hobbit and an analysis of ghosts and nationalism in Eva Ibbotson's The Haunting of Granite Falls An essay about Horrible Histories explores television genre and the way history is coded Other contributions explore how teaching literature to reluctant readers can be effective through multimodal texts and how Harry Potter has played a role in the popularity of young adult literature for adult readers

"Throw the book away" Amie A. Doughty, 2013-05-21 Children's literature is an excellent way to educate children on everything from social behavior and beliefs to attitudes toward education itself A major aspect of children's literature is the importance of books and reading Books represent adult authority This book examines the role that books reading and writing play in children's fantasy fiction from books that act as artifacts of power The Abhorsen Trilogy The Spiderwick Chronicles Harry Potter to interactive books The Neverending Story

Malice Inkheart to books with character writers Percy Jackson Captain Underpants The author finds that although books and reading often play a prominent role in fantasy for children the majority of young protagonists gain self sufficiency not by reading but specifically by moving beyond books and reading Mediatization and Sociolinguistic Change Jannis Androutsopoulos, 2014-09-04 This is the first volume to focus on the role of media in processes of linguistic change one of the most contested issues in contemporary sociolinguistics Its 17 chapters and five section commentaries present cutting edge research from variationist and interactional sociolinguistics media linguistics language ideology research and minority language studies The volume advances our understanding of linguistic change in a mediatized world in three ways First it introduces the notions of sociolinguistic change and mediatization to create a broader theoretical framing than the one offered by the media and language change Second it takes the discussion beyond the notions of influence and effect and the binary distinction of media vs community language Third it examines the relation of sociolinguistic change and mediatization and from five complementary viewpoints media influence on linguistic structure media engagement in interaction change in mass and new media language language ideological change and the role of media for minority languages Bringing these strands of sociolinguistic scholarship together this volume examines their shared references and common lines of thinking

Die Poetik des deutschsprachigen Rap Fabian Wolbring, 2015 English summary This dissertation provides the first comprehensive description of German Rap as a form of poetry It features the widest research overview yet critically outlining all the main academic trends in dealing with rap The main part of the book includes two different approaches First the Rapschaffen is determined as poesis and thus as a literary practice To this end the common authorship model is explained which combines the adoration of standardized poetic craftsmanship with an implicit promise of authenticity Rapschaffen is then described as an aesthetic activity with oral and literal shares Secondly main characteristics of the genre are pointed out regarding media formal and contentual aspects as well as their interaction It shows that rap is particularly applicable to stage the speaker as cool and confident Finally the social importance of rap in Germany is recapitulated on pleading for a more conscious perception of the literary practice as a cognitively demanding activity In this sense the approach sets an example for how methods of literary analysis can be used for cultural diagnosis German description Rap ist die wohl populärste und einflussreichste Lyrikform der Gegenwart Gerade unter jungen Männern ist das Schreiben und Deklamieren von Rap Texten inzwischen eine der beliebtesten Freizeitbeschäftigungen überhaupt Dabei orientieren sie sich in der Konzeption wie auch im Vortragsstil an textsortenspezifischen Regeln und Prinzipien Fabian Wolbring erschliesst diese nun am Beispiel des deutschsprachigen Rap erstmalig und untersucht sie auf ihre ästhetischen Potenziale hin Es zeigt sich dass die Gestaltungsprinzipien in Reim und Rhythmusbindung Stimmnutzung Themenwahl und Sprechverhalten wie auch das gängige Autorschaftsmodell besonders dazu geeignet sind den Sprecher als souverän autonom und überlegen zu inszenieren Die literaturwissenschaftliche Analyse gewinnt dabei kulturdiagnostisches Potenzial **Barbarians at the Gate: The**

Barbarians At The Gate Studies In Language Attitudes Introduction

In today's digital age, the availability of *Barbarians At The Gate Studies In Language Attitudes* books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of *Barbarians At The Gate Studies In Language Attitudes* books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of *Barbarians At The Gate Studies In Language Attitudes* books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing *Barbarians At The Gate Studies In Language Attitudes* versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, *Barbarians At The Gate Studies In Language Attitudes* books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing *Barbarians At The Gate Studies In Language Attitudes* books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for *Barbarians At The Gate Studies In Language Attitudes* books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both

public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Barbarians At The Gate Studies In Language Attitudes books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips.
