opportunity to turn the tables on this man and how much she would enjoy that day Joseph loved every minute he had punishing this uppity broad What he really loved was that he had gotten her permission to dominate her Once again he gripped the flogger Only this time he began to use the handle to tease her pussy He never tried to enter her with it but ran its hard leather handle through her dripping slit The swollen flesh was beautiful to him He watched her face as he continued the tease but if she were receiving any pleasure she was not showing it to him He wanted her to react He pulled the handle away and began to explore the hot wet folds with his fingers As he found her clit he began to knead it with his thumb and forefinger then slid two fingers inside of her This did elicit a response from her which made him desire more So the filthy slut likes to be finger fucked he snorted and continued to push his fingers farther up in her canal Within seconds she spewed a stream of fluid that ran down her legs While the achievement of his efforts filled him with confidence and satisfaction his response to her was one of disgust Now look at the mess you made bitch You should be ashamed of yourself He drew back and began to flog her again and again He had become so involved with his punishment that he no longer was being careful with the intensity of his strikes and the size of the welts he was raising on her body He also had become deaf to the volume and intensity of her cries and screams Lisette was unable to control the cries and screams wrenched from her by the constant sting of the flogger Each time the leather tentacles struck her tender flesh they burned her more than the last Finally she bravely shouted at Joseph that he had to stop He was so shocked by her plea that he held the flogger back looking at her in disbelief Did you speak to me bitch he asked incredulously Did you forget how you should address me Master please don t stop She whispered to him
