

With these balloons,
We remember our infant loved ones
who have died.
Death has forced us to let go,
Of the children we would hold.
As we let go of our balloons,
We send forth a message.
To the community, the message is:
Our babies were wanted,
were real, are loved
And grieved and remembered.
To one another, the message is:
You are not alone.
With support we survive and grow.
To our beloved children we have spoken
of today, the message is:
We remember you.
We miss you.
And most of all,
WE LOVE YOU!

Balloon Release Funeral Poem:

Fireflies From Orion - The Poetry of P. Clay Sherrod Clay Sherrod, 2019-01-05 I firmly believe that all people are poets also I think that most poets never write for anyone but themselves Writing poetry will save a bright mind a fortune for you will never need a therapist when you write from your heart The work is highly personal emotional and sinks deep into the very essence of the soul of the writer That being said I hope that you read and enjoy Fireflies From Orion this being a selection composed of over fifty years of my writing prose There are sad poems happy poems spiritual writings emotion evoking words as all poetry should be Fireflies is poetry truly from the heart not written to appease the strictest school of composition not please those with whom iambic pentameter is a requirement along with every line to rhyme you will not find that in Fireflies You will find raw poetry prose of both regular and irregular rhythm words that hopefully will paint pictures and evoke memories in your mind from times long ago now gone
