Baptism In The Spirit Luke Acts And The Dunn Debate:

Baptism in the Spirit William P. Atkinson, 2011-01-13 This book is about that treasured doctrine of Pentecostalism baptism in the Holy Spirit understood as a work subsequent to conversion to Christ Since James Dunn s publication of *Baptism in the Holy Spirit* there has been heated response from Pentecostals in defense of the doctrine Key players are Roger Stronstad Howard Ervin David Petts James Shelton Robert Menzies and ex Pentecostal Max Turner This book reviews Pentecostal criticisms of Dunn with respect to Luke Acts concluding that Pentecostals are right for Luke receiving the Spirit was not the inception of new covenant life It was a powerful enabling for prophecy and miracles for the church s outward mission and its internal life After placing Luke Acts in a wider canonical context the book closes with some practical lessons from Luke Acts for today s Pentecostal churches

A Pentecostal Hermeneutic for the Twenty First Century Kenneth Archer, 2004-12-30 The purpose of this book is to present a critically informed contemporary Pentecostal hermeneutic rooted in Pentecostal identity in its stories beliefs and practices As Pentecostals began entering academic communities of higher learning their interpretive methods became both mainstream and modernistic as they adapted the historical critical methods or the so called scientific hermeneutic The proposed hermeneutic contained in this book desires to move beyond the impasse created by Modernity instead pushing Pentecostals into the contemporary context by critically re appropriating early Pentecostal ethos and interpretive practices for a contemporary Pentecostal community The Pentecostal hermeneutic is a three way interaction for theological meaning between the Holy Spirit the Pentecostal community and sacred Scripture

Baptism in the Spirit William P. Atkinson, 2012-08-30 Offering a clear understanding of the doctrine of baptism in the Holy Spirit In the Seventies James Dunn s publication of *Baptism in the Holy Spirit* gave rise to a heated debate within Pentecostals milieu Atkinson brings his contribution to the discussion and undertakes the job of synthesizing evaluating and reviewing the key elements of the debate with respect to Luke Acts Atkinson concludes that Pentecostals are right for Luke receiving the Spirit was not the inception of new covenant life it was a powerful enabling for prophecy and miracles for the church s outward mission and its internal life

A Bird's-Eye View of Luke and Acts Michael Bird, 2023-11-21 This accessible and compelling introduction draws us into the wide ranging narrative of Luke Acts to discover how Luke frames the life of Jesus and of the first disciples These two books when read together tell a cohesive narrative about Jesus the Church and the mission of God with implications for the whole our lives today

Reading St. Luke's Text and Theology: Pentecostal Voices Riku P. Tuppurainen, 2019-10-16 Lukan narrative takes its readers into God s story how his salvation plan in Jesus began on the slopes of Judea and at the Sea of Galilee ending on the hill of Calvary and the Mount of Olives yet moving on and telling how the Spirit descended onto the Temple Mount empowering God s people who then began to fulfill the given mandate in the presence of the Spirit Yet readers of Luke Acts throughout the centuries have had a meandering journey as they have tried to understand the narrative s persuasion and Spirit references This book seeks to bring awareness

to these challenges by some of the most respected Pentecostal biblical scholars and systematicians Here their vigorous labor with the questions of hermeneutics and theology in relation to Lukan writings have come to fruition These contributions have been collected as a Festschrift in honor and celebration of the career of Roger Stronstad a Pentecostal biblical scholar whose contribution to Lukan studies have moved Pentecostal scholarship from shadows into daylight The editor of this volume invites the readers of Lukan narrative to journey together on the road to Emmaus as we continue to ponder the events in the past the present and the future

Solving the Samaritan Riddle Kermit Zarley, 2015-09-23 This book attempts to solve the Samaritan riddle that is the focal point of the Dunn Debate Dr James D G Dunn s first book Baptism in the Holy Spirit 1970 claims the New Testament says baptism in the Holy Spirit always occurs simultaneously at conversion initiation In contrast classical Pentecostals contend that Spirit baptism always occurs subsequent to conversion and is evidenced by tongues speaking They mostly cite Acts 8 4 25 for subsequence It says Philip preached to the Samaritans and they believed but they did not receive the Spirit until Peter and John came days later and laid hands on them Dunn says these Samaritans and Jesus 120 Jewish disciples in Acts 2 were not Christians until they were baptized with the Holy Spirit Zarley agrees with Pentecostals about subsequence in both cases But he claims these Samaritans and the Gentiles in Acts 10 were Spirit baptized due to Peter s presence using his metaphorical keys of the kingdom Jesus had promised to give him in Matt 16 19 After Peter opened kingdom doors for all three of these biblical classifications of people all people afterwards are Spirit baptized simultaneously upon conversion as Paul teaches and Dunn says except for the Ephesians anomaly in Acts 19 1 7

The Charismatic Theology of St. Luke Roger Stronstad, 2012-10-01 Winner of the 2013 Book Award of Excellence The Foundation for Pentecostal Scholarship What is the meaning of the Holy Spirit s activity in Luke Acts and what are its implications for today Roger Stronstad offers a cogent and thought provoking study of Luke as a charismatic theologian whose understanding of the Spirit was shaped wholly by his understanding of Jesus and the nature of the early church Stronstad locates Luke s pneumatology in the historical background of Judaism and views Luke as an independent theologian who makes a unique contribution to the pneumatology of the New Testament This work challenges traditional Protestants to reexamine the impact of Pentecost and explores the Spirit s role in equipping God s people for the unfinished task of mission The second edition has been revised and updated throughout and includes a new foreword by Mark Allan Powell

Profiles of Pentecostal Theology Christopher A. Stephenson, 2021-10-25 Pentecostal theology is burgeoning in the academy and a vast body of literature continues to grow With precision and ease Stephenson carefully leads readers through an array of theological topics texts and figures Combining original analysis and constructive contributions he classifies diverse and complex ideas in pentecostal biblical studies systematic theology and theological ethics Whether they are beginning students seeking an accessible initiation into an area that newly piques their interests or established scholars who need a sophisticated crash course in a yet unexplored field of inquiry readers will find Stephenson s accounts to be a reliable guide

through this daunting topic **The Holy Spirit -- In Biblical Teaching, through the Centuries, and Today** Anthony C. Thiselton, 2013-06-01 This learned book by eminent scholar Anthony Thiselton is a detailed biblical historical and contemporary study of the Holy Spirit Thiselton presents an up to date account of biblical teaching on the topic including exposition of passages and hermeneutics offers a comprehensive historical survey from the Apostolic Fathers to Jonathan Edwards and engages a host of modern theologians In the last part of his book Thiselton discusses a remarkably wide range of writings on the Holy Spirit from the nineteenth century to the present day He interacts explicitly with Pentecostals and the Renewal Movement in a sympathetic positive yet critical manner The book as a whole is at once scholarly and readable comprehensive and practical The Holy Spirit in Biblical Teaching through the Centuries and Today offers scholarly work on specific themes such as prophecy tongues the miraculous the range and nature of the Spirit's gifts and the Holy Spirit in relation to the Trinity along with practical consequences for worship and life A Guide to Pentecostal Movements for Lutherans Sarah Hinlicky Wilson, 2016-07-06 In just over a century Pentecostalism has rocketed from its humble beginnings in an interracial congregation on Azusa Street in Los Angeles to a global movement counting more than six hundred million members Confronted with the bewildering array of Pentecostal Charismatic and Neoevangelical beliefs and practices Lutherans are often at a loss as to how to think about Pentecostals much less how to engage them in positive ways that build up the whole body of Christ In this guide Lutherans will find tools for just such an engagement Building on a foundation of Pentecostalism's history and varieties Wilson undertakes an in depth survey of biblical teaching on baptism the Holy Spirit and spiritual gifts The guide then brings innovative new lenses to bear on the questions at stake the use of church history in defending denominational borders right and wrong approaches to prosperity the power of the Spirit and corruptions of power and the role of experience in theological discernment Written in a style accessible to laity and clergy alike this guide will strengthen Lutherans appreciation of their own tradition while enabling them to encounter Pentecostals as fellow believers in the salvation given by the triune God SCM Studyguide: Theology in the Contemporary World Ben Pugh, 2017-11-30 No sooner have they mastered the basics than students of theology can quickly find themselves in over their heads They are bombarded with claim and counter claim as soon as they want to tackle anything topical The contentious subjects tend to be the historical Jesus gender and sexuality or the atonement Other subjects might be less contentious but attract an astonishing excess of literature Take the vast literature tackling the subject of the Church for instance or the bloated body of tomes on various aspects of Pneumatology This book tries to provide the bewildered and intimidated student with a primer that is at once introductory and incisive approachable and informative It will help those training for ministry to recover their fascination for the subject of theology and how it could apply to their future ministry Subjects covered include The Quests for the Historical Jesus Third Article Theology The Missional Church Liberation Theology Feminist LGBT and Queer Approaches Postmodern Faith and the Emerging Church Nonviolent Atonement *Luke among the Ancient Historians* John J.

Peters,2022-05-24 For centuries scholars have analyzed the composition of Luke Acts presupposing that the reference to many accounts in Luke s Preface indicates the written texts which served as the author s primary sources of information To justify this portrait of Luke as a text based author scholars have appealed to analogies with the text based authors Dionysius of Halicarnassus Diodorus Siculus Plutarch and Arrian Luke among the Ancient Historians challenges this portrait of Luke s method through surveying the origins and development of ancient Greek historiography in chapters on Herodotus Thucydides Polybius Josephus and Luke By focusing on the values and practices of ancient historians Peters demonstrates not only that ancient authors following the model of Thucydides regarded the testimony of eyewitnesses as opposed to texts as the proper sources for historians but that Luke emulated the values practices and craft terminology of the contemporary historiographical tradition Taking seriously the self presentation of Luke as a reporter of contemporary events who claims to write on the basis of eyewitnesses from the beginning and personal investigation this book argues against analogies with text based historians who wrote about non contemporary events and instead situates Luke within a portrait of the values and practices of historians of contemporary events Cecil Polhill: Missionary, Gentleman and Revivalist John Usher,2020-09-07

The full significance of Cecil Henry Polhill 1860 1938 the wealthy squire of Howbury Hall is known to few yet he was one of the founding fathers of the Pentecostal Charismatic tradition in Britain and his impact and legacy stretch far beyond British shores to North America the Far East and elsewhere In Cecil Polhill Missionary Gentleman and Revivalist John Usher comprehensively connects Polhill s early life and former experiences as an Evangelical Anglican missionary in China a member of the Cambridge Seven with his time as a pioneer of early Pentecostalism and in doing so reveals a much more richly contoured and multifaceted picture of the development of early Pentecostalism than previously achieved **An**

Introduction to Pentecostalism Allan Anderson,2004-05-13 Global Pentecostalism and Charismatic Christianity in all its diversity is the fastest expanding religious movement in the world today Allan Anderson a former Pentecostal minister and a leading authority on global Pentecostalism aims to make more visible the non western nature of Pentecostalism without overlooking the importance of the movement emanating from North America Offering an innovative interpretation of Pentecostalism he takes seriously the contributions of the Majority World to its development and concentrating on its history and theology reflects on the movement s development and significance throughout the world Anderson also examines those theological issues that helped form a distinctive spirituality and how this relates to different peoples and their cultures Finally Anderson discusses the development of Pentecostal and Charismatic Christianity in the different countries from its origins at the beginning of the twentieth century to its theological emphases in the present together with the impact of the processes of globalization *Interpretation of Tongues and Prophecy in 1 Corinthians 12-14, with a Pentecostal*

Hermeneutics Jeon Ahn Yongnan,2019-05-21 Bringing spiritual experience into the domain of biblical hermeneutics this book will certainly stimulate current debates within this field among both Pentecostals and Christians of other traditions The

author also applies a Pentecostal hermeneutical methodology to Paul's teaching on tongues and prophecy in 1 Corinthians 12-14 opening possibilities to a Pentecostal pneumatology that tends instead to focus on the Lukan narrative. Paul's texts are reconsidered not as doctrinal or situational documents but as dynamic communication within a living community.

Learning from the Past Jon Balserak, Richard Snoddy, 2015-08-27 This collection of essays in honour of Anthony N. S. Lane has two main foci picking up themes which resonate with some of Lane's most important work. The first broad theme is the reception of the thought of earlier generations of biblical interpreters and theologians. The essays here explore various facets of reception history: textual transmission, the identification of editions, the deployment of these sources in doctrinal formulation in polemic and in relation to the contested site of catholicity. The second broad theme is engagement with other confessional identities and allegiances. The essays presented here shed light on the past and stimulate contemporary theological reflection.

The Spirit Driven Church Terje Hegertun, 2017-06-28 Must the church be either charismatic or sacramental? In this book Terje Hegertun argues that she has the privilege of being both. The Day of Pentecost formed her identity and shaped her conviction of being lifted on the arms of grace and pushed forward by the power from on high. In the midst of her vulnerability and failure, the worldwide faith community is a composition of the Spirit. One of the greatest gifts the church may offer the world is simply to be church: a charismatic sacramental fellowship, a dwelling place of God's Spirit. A church nurtured by graceful charismatic and sacramental gifts fosters a mature congregational spirituality distinguished by hospitable relations. Thus the Spirit of God plays the main role of being the comprehensive principle of Christian unity across denominational lines.

Trinitarian Pneumatological Personhood and the Theology of John Zizioulas Ronald L. Adkins, 2023-02-28 In a growing secular society, what distinguishes a Christian from a non-Christian? Is a Christian identified by certain religious and ceremonial activity, social action, principles, or do their relationships identify them as Christian? This book suggests that a Christian person is in a continual relationship with the Triune God through the Holy Spirit. Furthermore, this living relationship reflects the eternal relationship of the Father, Son, and Holy Spirit because people have been created in the image and likeness of the Triune God. This book uses historical, theological, philosophical, and biblical approaches to understand the Christian person. Throughout this book, the reader will be engaged with the modern Greek theologian John Zizioulas. However, this book is a study on the person of the Holy Spirit, though never separated from the trinitarian relationship who makes a human person a Christian.

Pentecostal and Postmodern Hermeneutics Bradley Truman Noel, 2010-01-29 Pentecostal and Postmodern seeks to explore the relationship between Pentecostal hermeneutics and Pentecostalism's ability to connect with and evangelize North American youth. As Postmodern ethos makes its presence increasingly felt in the Western world, no Christian movement should be better positioned to bring the message of Christ to youth and young adults eager to experience the God of Miracles and wonders. Recent trends in Pentecostal hermeneutics, however, may actually make the task more difficult. No historical movement has thrived in the long term that has not carefully

considered the vision for the forefront of youth ministry in the last several decades we must also connect Pentecostal academia with evangelism efforts among youth and young adults This work calls Pentecostal scholars to thoughtfully consider the mplications of their work for future generations **Paul's Spirituality in Galatians** P. Adam

McClendon, 2015-03-25 Spirituality is a hot topic in today s culture Spirituality is essentially how one s beliefs and experiences influence the way one lives their life Such influences for living are of critical importance to one s faith within the Christian community What role does the Bible play in developing an expressed spirituality among the Christian community How do one s religious traditions cultural influences and personal preferences influence the way Christian spirituality is perceived and expressed All too often and at times unintentionally the foundational truths of the Bible are subordinated to tradition culture and personal preference This book provides a context for understanding Paul s foundational components for Christian spirituality within the book of Galatians while showing how an accurate understanding of these components can and should serve as a corrective lens to various aspects of Christian spirituality as expressed and experienced today
