Baptism Ahead A Road Map For Young Disciples:

Baptism Ahead Wallace Smith, Wallace R. Smith, 2009 Integrating contemporary narrative biblical lessons and student friendly talking points this innovative volume leads older children through baptismal preparation and a basic orientation to Christian discipleship and membership in the local church The author identifies key aspects of the Christian life with familiar road signs and compares the discipleship journey with a road under construction The books content is complemented by online features including a message board where students and teachers can post lessons learned and best practices Ages 8-12 Note This new resource is intended to replace the older book *Bridges of Promise* **Breakthrough!** Saint Mary's

Press, 2006 As the title suggests *Breakthrough The Bible for Young Catholics* highlights what happens throughout salvation history between God and humanity God breaks through and connects with human history thereby establishing a relationship with humanity Using the Good News translation *Breakthrough The Bible for Young Catholics* was created for young people leaving childhood and entering adolescence Its ten special features were created to help make the Bible easier for young people to read and understand They will learn about the great people of the Bible and will see how God has been breaking through in human history and connecting with humanity for thousands of years Most important they will discover in the Bible how God's messages to key people of faith have meaning for life today *The Building Blocks of the Earliest Gospel* Arthur J. Bellinzoni, 2018-02-16 This volume provides enough information about each story in the Gospel of Mark and about the gospel as a whole in order to afford an informed understanding of the gospel The evangelist was not writing a book for submission to a committee for inclusion in the Christian Bible Rather he was collecting existing oral and written tradition into a coherent narrative to promote for his own Christian community an understanding of the good news of Jesus the Messiah The church to which the evangelist was writing probably in Antioch of Syria was likely already familiar with many of the stories from the church's evolving liturgy Christians gathered in people's homes there were no churches as we understand that word as a specific building for Christian worship It was in such gatherings in homes that stories were told perhaps as the basis for a message delivered by an elder of the church Such stories illustrated some truth about Jesus or addressed an issue of importance to the church In other words these individual stories were developed to serve the needs of the Christian community Historical accuracy was not a concern of the evangelist Proclaiming Jesus as Messiah was his primary purpose
