Carol Adrienne coauthor of *The Celestine Prophecy: An Experiential Guide*, an empowering book for those ready to confront self-defeating patterns related to creativity and a great booster shot for those of us who have already faced and conquered some of the dragons. By the author of *Wishcraft* 75,000 first printing **Very Funny Ladies** Liza Donnelly, 2022-03-01 It's no secret that most New Yorker readers flip through the magazine to look at the cartoons before they ever lay eyes on a word of the text. But what isn't generally known is that over the decades a growing cadre of women artists have contributed to the witty, memorable cartoons that readers look forward to each week. Now Liza Donnelly herself, a renowned cartoonist with the New Yorker for more than twenty years, has written this wonderful in-depth celebration of women cartoonists who have graced the pages of the famous magazine from the Roaring Twenties to the present day. An anthology of funny, poignant, and entertaining cartoons, biographical sketches, and social history all in one. *Very Funny Ladies* offers a unique slant on 20th-century and early 21st-century America through the humorous perspectives of the talented women who have captured in pictures and captions many of the key social issues of their time. As someone who understands firsthand the cartoonist's art, Donnelly is in a position to offer distinctive insights on the creative process, the relationships between artists and editors, what it means to be a female cartoonist, and the personalities of the other New Yorker women cartoonists whom she has known over the years. *Very Funny Ladies* reveals never-before-published material from The New Yorker archives, including correspondence from Harold Ross, Katharine White, and many others. This book is history of the women of the past who drew cartoons and a celebration of the recent explosion of new talent from cartoonists who are women. Donnelly interviewed many of the living female cartoonists and some of their male counterparts: Roz Chast, Liana Finck, Amy Hwang, Victoria Roberts, Sam Gross, Lee Lorenz, Michael Maslin, Frank Modell, Bob Weber, as well as editors and writers such as David Remnick, Roger Angell, Lee Lorenz, Harriet Walden, legendary editor Harold Ross's secretary, The New Yorker Senior Editor David Remnick, and Cartoon Editor Emma Allen contributed an insightful foreword. Combining a wealth of information with an engaging and charming narrative plus more than seventy cartoons along with photographs and self-portraits of the cartoonists, *Very Funny Ladies* beautifully portrays the art and contributions of the brilliant female cartoonists in America's greatest magazine. **Finding My Life Purpose** D.
